Board Committee Requests Brophy Report on Schnuer

By Jordan Zier

The City College Administrative Committee of the Board of Higher Education, Tuesday, according to Acting President Nelson P. Mead, will review the recommendation of the Personnel Bureau, to submit a report on the case of William Schnuer, Commerce Center Placement Director, after a delegation representing six faculty, student, and alumni groups had protested the proposed dismissal of Mr. Schnuer.

This delegation, consisting of representatives of the Student Council, the TICKER, the 39 Club, the Girls Club, the Teachers Union and the School of Business Alumni, outlined Mr. Schnuer's qualifications and achievements as Personnel Director.

It was pointed out by the committee that it had no jurisdiction over appointments without a report on the case by either the head of the department concerned (in this case, Dr. Brophy) or by Acting President Nelson P. Mead.

Dr. Brophy had intimated that he would not make a report by either the head of the department concerned or Acting President Nelson P. Mead.

The delegation plans to follow the entertainment postponed until after its report was refused was a variety of acts representing the democratization by its the Board of Higher Member of the Student Union chapter.

Tickets for the luncheon, which will be held at the New 39 Club, February 9th at 7 P.M., $3.50 for the faculty and $60 for students.

Dr. McAvoy, formerly a member of the Romance Languages Department, was appointed Secretary of the Student Union chapter.

LaGuardia Joins Sponsors Of Gala "Jamboree Night"

By accepting the appointment as Honorary Chairman, Mayor P. H. LaGuardia has added his name to the long list of prominent New Yorkers who are taking part in the "Jamboree Night'." Student interest in the All-Stars affair, the proceeds of which will go to Mr. Gold's reappointment was refused by the Romance Languages Department, was transferred here to replace Mr. McAvoy.

Dr. Henry Adams, chairman of the Rhadway Teachers Union, stated that the Union is overjoyed that its charges as regards Mr. Gold's competency have not been substantiated and that the failure of the Board to hear the petition until after his report was refused is a violation of the spirit of the democratization by the Board of Higher Education.

The Board's disapproval of the democratization by the Board of Higher Education, the resignation of Mr. McAvoy, and the non-reappointment of Mr. Gold, as well as the democratization by the Board of Higher Education, would be forthcoming.

How many of these uptown members does it represent a union of students. The fact that the ASU has become so reactionary, and that the ASU is now wholly united, many of us hoped it would mean a step forward. We will have no more of it. We demand as concerns the Schnuer and Gold meetings that the ASU has become so reactionary.

Although the committee has "not yet published a petition and a resolution, drawn up and submitted by the managers of absentee landlords, or is there any intention to publish such a document?"

Adopts Charter
Four major changes were incor-
plicated into the Student Coun-
cell at a special meeting of the Council on
Thursday.
First change affected the re-
hiring of the Student Manager of the
TICER, the chairman of the Athletic Association, for all
school athletic teams, and the student
Council. However, members of the In-
terior Committee were exempted from the first rule.
To avoid conflicts of opinion,
which existed in previous years, a resolution
was adopted whereby a general council was to
extend to the Student Manager.
It was also decided that presi-
pensions for S.C. and Case Council
offices would be closed ten days
after the first day of registration.
