SC Defers Peace Rally, Accepts Poll Questions; Conference Plan Defeated

student council postponed the Armistice Day Peace rally scheduled for some time in November. The reason Thursday or Friday in the vicinity of November 29 at 4 p.m.

In the report of the Peace Committee, it was stated that there was insufficient time to conduct a rally, which involved the drawing up of questions for a student poll to submit the questions to the student council for its approval to submit them to the student council. The committee discovered at the meeting that the Student Council had differed in their recommendations to the Council.

In the majority report, submitted by Bernard Barnett and Martin Shlumberger, the Student Council expressed its support of the rally in the event the poll would be held, while the minority report submitted by Sam Engler and David Shapiro recommended the council to hold the rally in the event the poll would be held.

The committee announced that they would conduct a conference this afternoon to make preparations for the Friday meeting.

At the present time, the committee is conducting a petition campaign to assist the student council.

City College has produced better football teams in the years than
in 1941. Today you have to go way back to find a team that
can match this year’s eleven in courage and spirit. The Beavers
are untold only once, but in every game they have played
they have given credit performances. You can’t ask much more
from a group of boys who go out on the field and play their hearts out for every minute of
the game. They do not control the proper hospitality when needed and do not receive
the whole-hearted support of the student body.

needed the touchdown. In fact, they were thrown for

And they’ll remember the play of Hal Aronson who, after

over forty yards with his points and completed over half of
his passes. They’ll remember his sixty-five-yard punt from
behind his own goal line in the last game when you’d go over to congratulate him for his fine passing.
