Wagner Sparks Beavers in Streak-Ending Victory

By Herb Thau, Sports Editor

With sparkling runs by Leo Wagner and Murray Berkowitz and the passing of Mary Pelts setting the pace, City College finally ended its long losing streak of 23 games when it crushed Wagner College of Staten Island, 27-6, Saturday, October 26, at Lewisohn Stadium before a sparse crowd of 1,500. The last Beaver victory was recorded in October 1948, over Brooklyn College, 22-6.

The Legislative Council of SC, in its report on the pre-election meeting, recommended that any such future affairs be conducted as informal discussions in lounges or small lecture halls.

Wagner Spared Beavers

Trailing 6-0 at halftime, the St. Nick's, led by Mary Pelts, Beaver quarterback, took the air for their first touchdown. Pelts passed to Bob Tarter for 11 yards, who in turn passed to Ken Tarte for 27 yards. Pelts was a first down on the visitors 47-yard line. Pelts kicked, and failed for seven on a tricky cross kick. Berkowitz drove through with a 2-yard touchdown.

At this point the Hilltoppers' coach decided to make the second half of the game more exciting by giving them a break. He had a touchdown. The visitors was closely guarded by two Wagner defenders, but Pelts, from the crowd on the 47-yard line, lifted the ball to the 23-yard line. Len Taitelbaum dropped back and booted the ball through the goal post with room to spare. The extra point attempt was successful.

Field Trips Sought

The Retaining Club will sponsor a leadership conference on Thursday, Commander Joshua L. Goldberg, Assistant Chaplain of the Third Naval District. He will discuss "Justice for the Jew."

Commander Goldberg is widely recognized as one of the outstanding members of the American rabbinate. He has long assumed a leading role in Jewish affairs and is well known to international audiences as a traveler and lecturer.

During the Armistice Day weekend, the Metropoltan Hillel Council will sponsor a leadership conference at the downtown foundation. Student leaders and prospective leaders from various agencies and departments. The various levels of government, city, state, and federal, will also be discussed.

Field Trips Sought

The second activity decided upon was field trips which might include a housing project or a UN building tour.

The society also expects to put out a publication similar to the one published in 1943 which was quite successful. Several forums on interfaith discussions are expected to be held on topics such as courses given to government and recent problems in public administration.

After a deliberation of the Council of Senior Pirates the winners will be announced and presented with the tickets to the smash musical hit, starring Ethel Merman, "Three Girls in a Tree."
We have always believed that the most important feature of any college is the people who are its students. The individual point of view is the development of the student's personality, his ability to think and to make judgments. This is the essence of the college experience, and it is what our college aims to achieve for its students.

Robert B. Hanks, who is representing the MISC tenders, was present for the meeting of the MISC tenders, which was held in the Foundation Building.

Mr. Hanks announced that he had been elected to serve on the Metropolitan Council. This council, to be composed of representatives of the various MISC tenders, will meet weekly to discuss the affairs of the student body.

The meeting was adjourned. The next meeting will be held on Wednesday, next week, at the same time.

New Guidance Plans Mapped

To meet the needs of the students, new plans for counseling are being drawn up by the Council of Advisers, under the direction of Mr. Lewis. The plans will be presented at the next meeting of the council.

The plans include the establishment of a counseling center, which will be staffed by experienced counselors. The center will be open to all students, and will be located in the basement of the Foundation Building.

College AVC Reps Lead

In Subsistence Demands

By William Gordon

Taking the lead on the floor of the City College, the AVC representatives, led by Mr. Lewis, have presented a strong case for the students' demands. The representatives have held meetings with the council, and have presented their views in detail.

The representatives have called for the establishment of a subsistence fund, which will be used to support students in need. They have also called for the establishment of a scholarship fund, which will be used to support students who wish to continue their studies.

A new committee has been set up to study the matter, and will report to the council at the next meeting.

College AVC reps lead in subsistence demands

The Council of Advisers (C.A.) of City College has held its first meeting of the new year, at which time the students' demands were presented to the council.

The demands include the establishment of a subsistence fund, which will be used to support students in need. The demands also include the establishment of a scholarship fund, which will be used to support students who wish to continue their studies.

The demands were presented to the council by the representatives of the various student organizations, who have been appointed to represent the students in the C.A.

The council will consider the demands at its next meeting, which will be held on Wednesday, next week.
