Mass. State Gridders Down City Eleven, 59-0

By Herb Tham, Sports Editor

A hard driving Massachusetts State eleven led by fullback Dick Lee, downed City College Saturday 59-0, before blasting away at the failure of the students to take part in educational and social activities within the college community, student leaders debated the necessity for revising the Student Council constitution at the regular open SC meeting. The aim of the discussion, in which class and organization representatives took part, was to present a list of action to the members of the Charter Committee who are attempting to expand the SC's operations.

Student Leaders Discuss SC Constitution Revisions

Blasted away at the failure of the students to take part in educational and social activities within the college community, student leaders debated the necessity for revising the Student Council constitution at the regular open SC meeting. The aim of the discussion, in which class and organization representatives took part, was to present a list of action to the members of the Charter Committee who are attempting to expand the SC's operations.

Publicity Students Aid National Cancer Drive

Confronted with the problem of applying classroom knowledge to practical experience, the Student Council's representatives on Day Session have combined to plan the publicity campaign for Fight Cancer in Children, Inc. and its benefit performance on December 7.

AVC Features 'She' at Dance

A gala dance to be presented in Manhattan Center on Saturday at 8:30 highlights a term-long series of performances and offerings of the Allied Women's Club. The dance will take place at the Central Branch YWCA, Lichtenstein, and is open to non-members.

Student Council Sets Schedule

Embryonized by Student Council to act as a clearing house to consider the mutual and individual needs of all members, the council has set aside time to discuss and consider the problems of the students.

All Elective Cards Due on November 16

All students planning to attend City College during the spring semester should return elective cards to the Registrar by Thursday. Specialisation group cards will be given in 1429 today. Advice on choice of elective courses and specialization groups will be given in 1429 today. Elective courses are listed, together with specialization group advisors, on the individual schedules issued by the Registrar.

Club Council

With only AVC, Aldus, AYB, and the Native American Council at the second council meeting Wednesday, the council had to be postponed. Each organization is expected to send a representative to the Finance Council meeting on the ninth floor. Among the suggested activities are a policy to make the lunchroom and the ninth floor lounge one of the most pleasant in the college.

SC Sponsors School-Wide Cleanup

Overcrowded conditions in this building this semester have necessitated a recent campaign launched recently by the Clean-Up Committee of Student Council. Attempting to improve the conditions and the ninth floor lounges, the committee intends to surpass its success in previous semesters.

Steady streams of students using the cafeterias have taxed the cleaning crews to the limit, and demands on the janitors have made cleaning more difficult. To deal with this problem, students are being asked to cooperate by disposing of garbage in the rubbish cans provided in the cafeterias. Discarding cigarette butts has caused the greatest problem in keeping the lounges clean. The school authorities are presently attempting to procure more rubbish receptacles, and it is hoped that these efforts will help correct the present situation and provide a relaxation in smoking regulations for the building being sought. This would permit smoking throughout the building, except on the staircases and in the elevators and classrooms.

The clean-up committee intends to emphasize the need for greater cleanliness through the use of eye-catching posters placed on the staircases, in the cafeterias and in other strategic locations in the building, asserted Marilyn Witkin, committee chairman. Miss Witkin urged all students to cooperate in the campaign. When students would like to keep their lounges clean, the committee has arranged for a cooperation with the students to keep the lounges clean.

Chorus to Sing

Another feature of the rally will be the Chorus's rendition of the famous 'Bailed for Americanism' song of the Boardman & Co. Chorus, supported by the voices of the mixed chorus. The song will be introduced by the direction of Mr. Bailey Harris of the Public Speaking Department.

Student Council Chairman, Mr. Louis Levy, announced that the two chorus, the Manhattan Center and the one at the Dress for Americanism, that has been active for the past year, are among those who organized the program for the rally.

Cherne Views
Poll Outcome

Prospects for economic "boom or bust" were discussed by Leo Cherne, Executive Secretary of the Research Institute of America, at an informal seminar conducted Thursday by the Economics Club. Special emphasis was placed on the implications of the Republican victories in the national election.

While no prediction can be made as to recession or prosperity for 1947, Mr. Cherne pointed to the various factors in the economy which can, if not hindered, make for the continued high level of employment and income in the United States. Maintenance of full production is the key, he stated.

Commenting on the election, Mr. Cherne felt that the Republicans would not legislate on social matters because they will attempt to "make a play for the labor vote in the '48 elections."

Unity Committee
Combats Quotas

Adding a new voice to the steadily rising clamor against discrimination, the presently inactive Intercollegiate Committee to Combat Quota has been reorganized as the Intercollegiate Committee for Unity.

The Committee is operating on the belief that the entrance quotas employed by many colleges and universities are not only unfair, but also deprive the community of their benefits to be gained by further education of those youths who are fitted to become the leaders of the future.

The newly-formed organization's major objective will be the elimination of the vicious quota system. The group will actively support the Austin-Mahoney Bill exempting colleges using the quota system from the tax-free privileges now accorded to them.

The first meeting will be held at 212 West 50th Street in the office of the NY State Committee Against Discrimination in Education, Sunday at 2:30. All members of the defunct Anti-Quota Committee and anyone else who is interested in being an active member are urged to attend.

ICC Schedule

(Continued from Page 1)

of a pageant in the Pauline Edwards Theatre, publication of a centennial magazine and a dance. Plans for these events will be stalled until the full support of student organizations is obtained.

Aside from its function of coordinating centennial arrangements, Inter-club Council is empowered to harmonize various club enterprises which have overlapped in the past. The council will reshuffle extra-curricular dates so as to prevent any conflict of events. This measure is designed to focus the interest of the student body on major presentations.

At its first meeting, a committee was appointed to notify all school clubs of future major events. Pamphlets will be distributed requesting student organizations to formulate plans for next term's activities.

Registrar Posts
X-Mas Vacation

Announcement that the Christmas vacation for downtown City is slated for Dec. 24 to Jan. 1 inclusive, was made by Miss Agnes C. Mulligan, registrar. Regular classes will be held Dec. 28.

The uptown schedule this term lists the holiday recess for Dec. 22-3 with classes slated Dec. 28, 30 and Jan. 1.
