Student Interest in School Affairs Shown By Record Election Slate

Breaking the war-tired tradition of slim ballots, a record-smashing number of candidates will vie for positions on Student Council and class councils in the schoolwide election which will be held tomorrow.

An unusual feature of the election is the appearance of campaign slates with complete platforms.

FAO Bars Shelley Squads From Future Athletic Frays

In a dramatic move the City College Faculty Athletic Committee passed a resolution barring future encounters with any team coached by Evelyn Shelley. The big conference unanimously passed this resolution after consulting Nat Holman.

The Committee's statement reads as follows:

"Resolved that the faculty athletic committee in view of evidence to it of action, by Evelyn Shelley, coach of Woma- coming University's basketball team, in scheduling games between Wyoming and City College of New York at Madison Square Garden, on the evening of December 25, 1946, is of the opinion that the interest of women's basketball will be better served by having the team coached by Everett Shelton."

The committee reports leave no way of escape for the scheduling of games with Wyoming because the team is in the longer coach of the team. It is hoped that the other New York schools will follow suit and sanction against the scheduling-coached teams from Madison Square Garden, since the book the teams continued on page 2.

To the Editor...

Dear Sir:

City College has been incorrect in its stock-taking of the "Final Results" of the election. When the results were first announced, they were based on an incomplete count of the ballots. As a result, some students who were voted for were not included in the final count. The correct count has now been released, and I am requesting that you publish this information in your next issue.

Sincerely yours,

Open Letter From Dean Norton

By Herb Thou

TO THE STUDENTS OF THE COLLEGE

School spirit, I am sure, has been fostered by the drive to defeat the squad and instigate an improvement in the public opinion of our institution. I realize that the main purpose of the election is to make the students feel like they have a stake in the outcome, and this spirit is being reflected in the enthusiasm of the students.

Sincerely yours,
