City Defeats Rider, 13-0; Fabro, Plesent Star

By Marshall Lectig

It took a pair of brilliant detective playsmatters by an alert City Defense to put three touchdowns and give the Beavers a 13-0 verdict over Rider College under the lights at Staebel-Field. About 5,000 spectators were on hand Saturday night to see the Levader dominate the play and gain their quarterback sneak behind big Jim Welcome carried to the 15 for a first down. Eademann and Stan Plesent alternated for another first down or the five and Plesent took over on the third attempt. Conversion was blocked.

City had a scoring opportunity on the opening kickoff on the Levader 30 and ran it back to the 32. Here the Beaver running attack started clicking from the short yardage. After making a first down on the Rider 41, the Beavers moved to the one yard line and a touchdown was recorded for the visitors. Plesent was the scorer of the eight point play.

Quarterback Fabro had his scoring opportunity short of the halfback line. Standing at the back of his line, Fabro's pass was interception by a Rider student and the bravery of the Rider student was recognized by the Treasurer.

To The Editor

Dear Editor:

As a fiction, and a subscriber, I am writing to you about what I believe to be a serious problem that is affecting our school.

The problem is that every time the school newspaper is published, there is a section devoted to the latest news from the City College.

It is my opinion that this section is unnecessary and should be discontinued.

Boxing Returns As City Sport

Ebbets Field

By Herb Thor

Oh, no nothing! City has done it again in rounds. This season for the first time in the history of boxing at City, the team has been given the opportunity to show the world what a Coop can do.

The plan to show their skill is a reaction against the ruling of the Board of Trustees which would have given the team the opportunity to compete in the annual American Athletic Conference.

The team, which is coached by the famous Mr. Smith, was given the chance to compete against the best teams in the conference.

The first meeting of the course will be held at 12:30 in 504 and all students are urged to attend.

Committee Investigates
Army Hall Bias Charge

Charges of segregation in assigning rooms at Army Hall will be investigated this week by a special 12-member faculty-student committee which has been set up by Dean John J. Theobold.

Affidavits have been filed substantiating the charges, which were brought to the attention of the Main Center-Day Student Council. Students reported that they had written for rooms and received the keys through the mail, but were not admitted into the Hall.

However, rooms were changed in the night and assigned to the occupants with the consent of the occupants.

At a preliminary meeting held last week by the representatives of the faculty, Student Council and the Interfraternity Council, it was agreed that future policies for room rental at Army Hall be determined by a joint committee.

While not admitting the existence of segregation, the administration announced a strict policy in the future regarding assignments to Army.
