Fee Committee Distributes Large Grants to Ticker, SC

At the Fee Committee meeting on Wednesday $3812.30, out of a possible $9266.94 was allocated to student activities, which had been unappropriated in previous terms.

The Ticker received $3812.30 for the publication of seventeen weekly and semi-weekly papers which are sold at 15 cents each. The intra-Mural group which may ask for money from the committee, received $2500. Mr. Walter Kelly, the accounting director, added $1000 went for lounge furniture, $35 for Mussak and $25 for General procedure.

The remaining $284.59 of the monies received was not distributable to student activities. Other members of the committee received $30 in its budget to equip the Student Council office. The committee decided to give the monies it would be interested in attending an All-School Parents’ Day.

Acting Positions Easier to Get

Approximately 400% more jobs in the accounting field are available due to a short while ago according to Mr. Walter Kelly, director of the employment office.
A City University

For years the four city colleges have been trying the enrollment problem in the same way that Banks do.

Lombardi Tells Of Intercession School Repairs

FOR RELEASE

By Every Field

Lombardi was involved in the incident when the building was to be an old church. I was mentioned in the incident when the building was a school and a church. It's impossible to say what Lombardi is doing now.

Seksler, "I was told that the building was a church and a school. It's impossible to say what Lombardi is doing now."

City Invades Philly To Take On Owls
By Larry Pollock
City College's hot and cold basketball team will attempt to make it five straight wins on the road when they journey to Philadelphia this Saturday night to meet the Temple Owls. As is customary, the annual trip to the Quaker City is the biggest test of the season for the Beavers and is considered to be a barometer of the 43 Club and the student body.

The first meeting of the season between the two teams was here in the Marcy Gym, when the Owls came sweeping in with a 5-0 record and took the game 81-76. Fortunately for the Owls, N. J.木材 and Bruce Moore scored 30 points each, while the Beavers' scoring was spread evenly among the starters, with only 12 points each going to Mike Laule and Leslie Rivera.

The Owls are currently setting the pace in scoring throughout the nation with an average of 82 points per game, and are tied up among the leaders in number of assists. They average nearly 20 assists per game.

Unfortunately, for the Owls, their high point percentages are frequently based on the starting five, but with one recent setback to Fordham, it is possible that the Owls may find themselves in a close contest against the Beavers this weekend.

The Owls are not only a strong team, but also a well-coordinated one, with the game being won off the bench by Bob Barbash, who scored 24 points.

Coach Paul Polishak
Brooklyn Polytechnic

Nimrods Nip Polytech; Aim at Cadets Tomorrow
By Sheldon Friedman
For the second time this season the City College rifle outgunned Brooklyn Polytech in a match that was held in the Marcy Gym. The score was 49-42, and the Beavers were able to come out on top with a strong performance by the Gunners.

Coach Carl Leimayer was interviewed by the Brooklyn Daily Eagle and stated that the Beavers were able to come out on top because of their improved teamwork and coordination. He also mentioned that the Gunners were able to take advantage of the Polytech team's lack of experience and depth.

Sophomores Defeat freshmen in Two of Three IMB Events
The traditional frosh-soph activities sponsored by the Intramural Board were held this past weekend at the Cage Ball and the Commerce Hoopsters. The Beavers won both events, with the frosh-soph team taking first place in both.

The Cage Ball contest was won by the Beavers, with a score of 72-70. The Commerce Hoopsters were able to take home the other title, with a score of 68-63.

City Clipped...
(Collapsed from Page 3)

City played a header, but found itself behind early. Then the Beavers played a header, but found themselves tied. The score then went to overtime, with each team scoring a goal in the extra period. The final score was 1-1, with both teams earning a point in the standings.
