Uptown Asks ROTC Study

By Gerry Reles

An oral report accusing the College's ROTC unit of using "high pressure methods" in recruiting freshman was presented at the recent Student Council meeting. This report, as described by Jerry Koenig, class of 1947, is the result of a student ROTC recruitment procedure.

Mr. Koenig was appointed to the role of "observer" by the Student Council president, Jerry Wolfson. Subsequently, Mr. Robert Taylor, registrar, gave permission to "observe" ROTC methods.

"Professor Kitney and Dr. Koenig outlined his criticisms of the corps. He stated that although recruiting methods had improved this semester, certain officers attempted to portray the military as a 'student army' for a student failing to join ROTC.

"As a resolution presented to Congress, he called on the governing body to instruct the Interscholastic Athletic Commission to respect Military Science representatives from the SGA, which represents the student body, the resolution will be tabled on this matter.

"Mr. Koenig ended his statement by saying, "I am delighted that Student Council has approved a committee of the High School Student Council to go outside the system to evaluate this matter."

"While the whole situation requires further consideration by the High School Student Council, the High School Student Council will go into the subject, the results will be beneficial not only to the recruiting freshmen but also to ROTC.

Prof Kuntzleman to Retire; Taught at City 20 Years

After forty years of grade school, high school and college teaching, Professor Harry L. Kuntzleman, associate professor of accounting, City College, will retire from school teaching in 1944.

Harry N. Wright, president of the College, Professors Kuntzleman has taught at City College for twenty years, serving as chairman of the accounting department from 1941-1947.

He began his teaching career in 1911 in the Porter Township School District of Pennsylvania. From 1913 to 1921, he taught commercial subjects in various Pennsylvania high schools. In 1920 he obtained an appointment as instructor at the Temple University School of Commerce.

While teaching at Temple, Professor Kuntzleman pursued graduate courses leading to a B.S. degree, which he received in 1925. He was awarded MBA and DCS degrees by New York University.

Activities Fair Begins Today

By Marilyn Sauer

The Activities Fair, the theme of which is "North Floor Round-up," will get underway tomorrow at 10 a.m. in the STM Lounge.

Today's preview of things-to-come will feature the Campus Pops in a first and second place contest. Light "shooting" the school's boundaries for the first "old west." On tap for tomorrow will be a one-set presentation by Theatre Arts. The group's performance will be given by students in the Department of Drama.

SC Picks Friday To Get Acquainted

"Get Acquainted Day" sponsored by Student Council and run by the Boosters will be held Friday. The day will be set aside in an "attempt to bring the students attending prom to the College closer together.

"A three-hour debate, Council passed a resolution to set aside a reserve fund for the College, in the event of an "activity fair." The resolution will be held with the student body.

"The cost of the Prom includes a seven-course topnotch dinner, as well as dancing and entertainment. It will be $5 for every couple. Pledges will be sold for $3.

Fancy Names

Leonard Vogel and Sandy Gross are the chairmen of the prom committee. Stan Sachs and Leo Hallman were elected chairman and secretary, respectively, of the pledge committee. Publicity will be handled by Mr. Vogel and Bob Seller, while correspondence will be taken care of by June Rutkofsky, Audrey Kaufman, Yolanda Bomber and All Levine.

Tix for "Live Wire" on Sale; Singer Directs and Heads Cast

Tickets for "The Live Wire," Theatreon's Fall show, will go on sale today from 10-3, announced Mrs. Robert Martin, business manager of Theatreon.

A booth will be set up on the first floor in front of the book store and the durac will be priced at $1.00, 90c and 70c for orchestra, mezzanine and balcony respectively.

"In casting for their fall production, Arnold Singer, director of the cast, has been weaving out the best of the many capable aspirants for the supporting roles, but he chose Gil Kaiko and Norm Lapidus, noted for their performances in "At War With The Army" and "Detective Story." The complete cast has been chosen.

An unusual publicity campaign was planned by some members of Theatreon in which they constructed an electric box with a live wire to use at the Activities Fair to promote the show. The scheme of holding the wire for the longest period sparked when Mr. Martin, publicity director, had difficulty in letting go of the wire. Theatreon will participate in the Activities Fair, but the idea of live wires is out.

Reception Set For Yearlings

The President's and Dean's Reception for incoming freshmen will be held tomorrow in Hansen Hall from 12 to 2.

At the reception, the exhibition of 1956, in its first social affair, will have an opportunity to meet many administrative and faculty members of the College as well as many of their new classmates.

The receiving line will include President and Mrs. Harry N. Wright and Dean and Mrs. Ralph Kameooff. In addition, Ruth C. Wright, Mr. Clem Thompson of the Department of Student Life and Dr. Ralph Kameooff, Assistant Dean in charge of Guidance.

Music will be provided by a band conducted by Leonard Hartman, master of ceremonies, and Larry Levy, guitarist, will add their talents to the affair. Refreshments will also be served.
We emphatically urge the Council to reverse its position. If students have an atmosphere of intellectual freedom, then it is important that officials have a world as intelligently thinking individuals. Thus, the College should provide a coherent program, has developed an atmosphere of general interest in student life, and that the atmosphere of interest is reflected in the active participation of students.

Student Council is to be continued in this manner of keeping up with the interests of students. In cooperation with the College, student assistants (e.g., library help, student life personnel) can use the addresograph to keep these assistants informed. Where does the Board of Education stand on this? In 1960, the College was to provide a source which yielded few votes. The effect of McCarthyism on the student assistants is of great importance. The College should provide a source which yielded little sympathy.

Booters Beat Alumni In Season's Opener

The City College soccer team started its 1951 campaign with an impressive 4-1 victory over the alumni at Lewis Stadium, Saturday afternoon. It wasn't so much the score that impressed the onlookers as the play of an 18 year old freshman from Konstanatou. Playing outside left, he tallied the first two varsity goals.

The next regularly scheduled match will take place Saturday when the Beavers tangle with a powerful Long Island Aggie aggregation, captured second place behind Brooklyn College in the Metropolitan Conference.

Although the varsity was in control of the ball during most of the first half, the Alumni scored because of the brilliant performance of Noreen Corson, alumnae goalie. Corson blocked a free kick and its rebound just before the end of the half.

The next tally came at 18:32 when Konstantou took a pass from Lucien Dauphier, also a freshman, and put it into the goal with his head. This tally provided the varsity with a 1-0 lead at half time.

Former Hoop Stars To Hear Fate Today

The fateful day has finally arrived for City College's five suspended basketball players—the day that will go a long way toward influencing the decision on the players' applications for re-admission to the School.

Today at 11 in the General Sessions Court of the Criminal Courts Building, Ed Rosen, Ed Warner, Al Roth, Floyd Layne and Herb Cohen are slated for sentencing on charges of accepting hush money, along with former Citites Irwin Cautenbrot and Norm Mager, and other confessed bribe-takers from Metropolitan colleges.

The charge, which constitutes a misdemeanor in New York State, carries a maximum penalty of one year in prison and a $1,000 fine. The alternative open to Judge Saul S. Streit is a suspended sentence.

If the latter decision is forthcoming, the move is expected to have a favorable reaction when the question of re-admission comes up before the Court Board, which has delayed action until after the sentencing.

The players, along with defense counsel Jacob Gruber, are hoping awaiting the court's decision with an eye toward re-admission in the near future. Although disappointed over the College's refusal to act on their applications as yet, the five have the encouraging examples before them of the re-admission of Irwin Cautenbrot to the City College Basketball team, and a similar leniency toward Fred Schlichtman, one of Bradley's admitted��-takers.

Last week a statement from the D.A.'s office disclosed that more scandal revelations are forthcoming. In light of this statement, there may be an outside possibility that the sentencing due today might be postponed.

AA Card Sale

AA cards will be sold Thursday afternoon between 12 and 3 at the Activities Fair in Lounge C instead of the AA office as previously announced.

The cost of the card is $2.00 and entitles the holder to a reduction for all home, basketball games.

### Five Runs in Fifth Give Frosh Win Over Sophomores

Facing a three-run deficit going into the last half of the final inning, the freshmen rallied to pour five runs across the plate to cap the Intramural Board sponsored frosh-soph softball game 5-3 at East River Drive Park Thursday at 12.

Holding the frost at bay for four stanzas of a time-curtailed five inning game, pitcher Al Klein was on his way to tossing a classy two hitter when the roof fell in. Four straight hits, followed by Al Silome's home run which eluded left fielder, sent five runs across.

Arnold Stomovitz hurling the route eventually wound up nipping the line. Starting slightly by giving up one run in the first, Arnie steadied and pitched goose- eggs for the next two. Slapping fielding sandwiched between two free passes scored one in the fourth. The final run centered on a walk, an error and a clean single.

The victory chalks up one tally for the freshmen in their struggle to reduce their period of hazing and ridding themselves of the compulsory wearing of beanies.
