Teresa Brewer to Appear At Theatre Show Rally Thursday at 12 in PET

Theatrical will present Teresa Brewer as the star of its semi-annual pre-show rally on Thursday at 12:00 in PET. While the diminutive singer gained fame on the popular music scene with her hit recordings of " Till I Waltz Again With You" and "Music, Music, today will be placed on public sale.

Last quarter's Theatron production was the musical-comedy "Fifian's Rainbow." Previous CCNY audiences have enjoyed such shows as: "Remains To Be Seen," "Kiss Me Kate," and "Mr. Roberts.

Camp Course Planned

A special committee sponsored by the Varsity Club and the Student Athletic Association will meet on the 1955 student with future student with representatives of the other municipal colleges to consider a uniform course of action in petitioning the Board of Estimate to grant funds for athletic use. Dr. Gallagher joined in recent report to the Board of Higher Education, had noted that "the facilities at the College were substandard. Subsequently, Dr. Gallagher joined with the three other city college presidents in asking for an appropriation of $55,000, of which $20,000 would go to CCNY.

The committee expects to present its demonstration to the Board of Estimate to grant funds for athletic use. A Bid to Council

The unfortunate defeat of the resolution to increase the student fee by one dollar brought the efforts of student leaders to a temporary halt. However, the failure of the referendum, by a mere 25 votes, served to make decision-makers recognize that there has been another cut in the funds available for the extra-curricular program and indications show this downturn will increase unless additional support is gathered.

We do not believe that a person who goes to college solely to attend classes. The extra-curricular activities are one of equal importance in the making of a good student at City College. Physically, the Baruch School stands apart, just as competing with the other City colleges which, in the Fall will be offering extra-curricular activities in fields not covered by the Baruch program.

We believe that the extra-curricular activities at the Baruch School should offer students the opportunity to compete with other colleges in New York City. This will increase college additional to the college. There is no better way to increase the qualifications of our men.

The purpose of this letter is to inform you that an extra-curricular activity program is being planned for the Baruch School. The program will include a variety of activities which will be designed to appeal to all students, regardless of their interests. We hope that you will consider this request for your support.

Action On Athletics

The Baruch Sports Editor has been hard at work for the benefit of our intercollegiate athletic program. He has already seen the light of day, and the program is sure to become a reality. The President of the Baruch Athletic Association has been making arrangements with the Fordham Auto School for a dual control program. It is hoped that this program will be given each week.

The price for the course is $23, $10 payable upon registration, and $13 balance prior to the car and each will drive. This is sure to turn the page of the student body.

In the hands of Council lies the fate of this athletic program. Funds must be found before the fall term begins. We hope that you will consider this request for your support.

Jacobsohn's Style: Fast and Furious

Herb Jacobsohn, a Baruch School student, and one of the Salute Physical Education Student Council candidates, has dropped from the team at the beginning of the 1955-56 season. This could have been expected, but when you consider that Herb is the only student in the Baruch School that is not interested in athletics, it is interesting to note that he has dropped from the team.

The pencil sharpener has been harder to crank since Professor McCallum made it up front. The students may also place their orders for new textbooks at the Student Council office, 911A Broadway. McCarty's assignment is to help each of the students who do not have textbooks to obtain them.

General Electric now has 131 plants in 101 cities, and one problem is common to all of them. How can the company show people in every city that it is a good neighbor? This responsibility is shared by many departments, and makes the job of the community relations man an important one.

Beavers Hope to Trample Violets in 40th Encounter

Each year at this time, the followers of City College basketball look forward to the contest or failure for the season's work in the NYU game. Since 1918 the two intra-city rivals have met 59 times on the basketball court. New York University holds a 21-18 edge going into Thursday's clash at the Fordham gym, site of the Botany (Second Avenue, the Bronx).

The first game was held in 1918 in the Botany at the end of the season, with the Peacock, 94-69, in favor of the Violets. Since then the contest has been played almost every year, the only exceptions being the 1942-43 season, when the Peacock fell short, and the 1944-45 season, when the season was canceled due to World War II.

The game is always a hard-fought battle, with both teams displaying their best efforts on the court. The Peacocks have won the championship twice, in 1922 and 1931, while the Violets have won once, in 1921.

Joe Scarpinato, a 6-4 center, is one of the most reliable players for the Peacocks, having scored 19 points in the last game against the Violets. His shooting ability and rebounding skills have been crucial to the Peacock's success in the last few games.

Swimmers Cop Title; Nip Brooklyn, 48-35

By Ralph Sobovinsky

The City College men's team won their seventh straight meet since losing to Columbia this year, defeating Brooklyn College, 48-35, in the Brooklyn College pool. By dint of this victory, the Beavers brought the Metropolitan championship to CCNY for the second consecutive year. The swimming teams continued their stellar, record breaking pace in the Brooklyn meet. In the very fast event, Bert Lee Jr., well-known sportscaster, will make his first appearance at the Baruch School's annual "Beat NYU Rally," tomorrow at 4 PM. The rally, sponsored by the 45 Club, will also feature Professor Nat Holman's first appearance here in 20 years. Players from both the varsity and freshmen will be introduced to student body.

Freshmen Win IMB Battles

Technically, the Fresh Soph battle did not take place Thursday night in the Baruch School's annual "Beat NYU Rally." The freshman team, led by Miss Mercury, Barbara Lott, and Steve Mann, were victorious in all four events.

The cheerleaders included: Miss Barbara Lott, Miss Steve Mann, and Steve Mann, the cheerleaders of the rally, and will act as ushers at the event.

Beavers Even Record; Edge Brandeis, 81-73

One thing may be definitely said for the Beaver basketball team this year and that is that it has shown an amazing resiliency. It seems as though it makes no difference how hard it is, it can always be overcome. Take Saturday night's game against Brandeis for example.

The City five passed, moved, and shot well as it downed a highly-rated Brandeis team, 81-73, at the City College gym in Weil Hall. The victory was the Beavers' first over the Judges since losing to Columbia in 1972.

The Beavers are now 8-8 for the season, while the Judges are 7-9. The game was a hard-fought battle, with both teams displaying their best efforts on the court. The Beavers were able to hold their opponents to a low score throughout the game, while the Judges were unable to score effectively.

The Beavers' resiliency showed in their efforts to win the 300 yard medley relay race in a time of 3:10.2, establishing a new Brooklyn College record. The team's efforts were rewarded as they proved far superior to the home team in the foul shooting department.

Peacocks Bow To City Fencers

Unquestionably the best fencing school in the Metropolitan area, the City College Fencing squad rolled over a hapless St. Peter's team, 22-6. The Beavers' victory was the result of a 13-7 set shot, which proved too much for the attackers to handle.

The Beavers are now 8-8 for the season, while the Judges are 7-9. The game was a hard-fought battle, with both teams displaying their best efforts on the court. The Beavers were able to hold their opponents to a low score throughout the game, while the Judges were unable to score effectively.
