SC Defeats More To Curtail Debate

Student Council defeated a move, Friday evening, to refer to the Town Meeting, Friday evening, for the National Student Association, to Town Meetings, before taking action on the issues.

The motion, brought to the floor by Howie Rubenstein, '56, stated that "SC not discuss any issues taken by the NSA . . . but the issues, as determined by the student body, will be relevant to the students as a course, open to all students. Therefore, SC will take appropriate action."

The motion was defeated 6-13-3.

Rubenstein said, "In view of the importance of the NSA proposals that will come before Council this semester, I believe that the student body should be given the chance to voice its opinions on such important matters. I feel that through the Town Meeting SC would be able to discuss these issues, and thereby decide issues, that may affect the School for years to come, more intelligently."

Opposing this move, Vice-President Steve Mann stated that he was "opposed to this idea of increasing the number of issues."

He pointed out that the past Town Meetings were unsuccessful, only once attracting more than 30 students. "Town Meetings cannot be constructed in any way as a true test of public opinion," he said. "All this motion does is provide a rationalization for those who are against the NSA resolutions. We can discuss these issues without rationalizing our actions—we have an obligation to do so."

SC President Bob Cord, in a personal statement, made clear, "If anything must be said about Student Council, let it not be said that it is afraid to govern.

Rubenstein's move is that of the previous meeting, discussion of NSA's lack of political test was cast aside until the NAACP meeting due to the fact that very few representatives were familiar with the resolution.

Set Tomorrow For Flower Sale

Sigma Alpha will hold its semi-annual Flower Sale tomorrow. Flowers will be sold at 10c each. Part of the proceeds will be used to finance a micro-filming operation of past issues of The Ticker.

Elected to Sigma Alpha this term were: Robert Becker, Fred Blank, Harold Dalich, Paula Edale, Ralph Futterman, Steve Krub, Doreen Spiegel and Joan Weinman.

NAACP Set to Protest Air Force PX Chief Directly to White House to Address Retailers

By Robert C. Cohen

The NAACP's national board has announced that the organization will send a delegation of members and leaders to Washington, D.C., to protest the appointment of the current Air Force PX chief, Col. William H. Collier, to a position at White House in the role of Director of the Office of Economic Opportunity and Social Action. The delegation will consist of representatives from various NAACP chapters across the country, as well as community leaders and activists who support the group's efforts to address the persistent issue of poverty and social injustice in the United States.

Collier, a former officer in the Air Force, was selected by President Johnson for the role, much to the consternation of the NAACP and other civil rights organizations. The organization has expressed concern that Collier's background and experiences do not align with the NAACP's mission to work towards racial equality and social justice.

Moreover, the NAACP has stated that the appointment constitutes a clear violation of the organization's principles and values. The group has called on the president to rescind the decision and to select a candidate with a proven track record of commitment to civil rights and social justice.

The NAACP delegation will arrive in Washington, D.C., on October 25th, and will hold a series of meetings with White House officials to voice their concerns. They will also participate in a protest march to call for action on several key issues, including the end of segregation in public schools and the implementation of voting rights for all citizens, regardless of race.

The NAACP's decision to protest the appointment is seen as a significant step in the group's efforts to hold the administration accountable for its actions. The organization has a long history of advocating for civil rights and social justice, and has consistently pushed for policies that address the root causes of poverty and inequality.

The NAACP's delegation will be led by President Joanne Martin, who has called for a renewed commitment to the organization's core values and principles. She has stated that the group will continue to work towards a more just and equitable society, and will not back down in the face of challenges and opposition.

Collier's appointment has sparked outrage among civil rights leaders and activists, who have called for the administration to reconsider its decision. The NAACP's protest is just one of several actions being taken by the organization to assert its influence and voice its concerns.

The NAACP has a long history of advocating for civil rights and social justice, and has consistently pushed for policies that address the root causes of poverty and inequality. The organization has a strong record of activism and advocacy, and has played a key role in shaping the course of civil rights history.

City Booters Tied by Queens 2-2, After 4-0 Triumph Over Adelphians

City College's undefeated soccer team received a rude jolt Saturday when an aroused Queens eleven rallied from a two-goal deficit at half-time to forge a 2-2 tie at Lewisohn Stadium. Two five minute overtime periods proved fruitless after which the 0-0 deadlock was broken only by three ties. The remainder of this year's outfit are freshmen. None of three ties. The remainder of this year's outfit are freshmen. None of the three ties.

The 26-year-old ear-airborne construction worker, who has finished third in the last two meets, William Humberg and Alex Almasy are the other Panther starters.

Jack Hyman, Adelphi's fine goalie, whose kick-backs often scored more than half the length of the 100-yard final had a total of 29 saves. By contrast, City's Wally Meisen entered four goals in the fourth frame. The Panthers didn't want to do so.

The Panthers currently display a 2-3 record, having lost to New York U., St. John's and Iona. However, the team is on the rise, gaining victories over the Long Island Arggies and Brooklyn Poly in its last outings.

All five starters for the Long Islanders saw action in last year's encounter with City. Captain Louis Vigniscanit and Roy Richey have sparked the squad so far. Both are averaging 28 minutes for the gruelling five-mile run. Richey has led his team over the finish line three times and Vigniscanit has been first the other two times. Barry Pollack, who has finished third in the last two meets, William Humberg and Alex Almasy are the other Panther starters.

Coach Stark Parks, in his second year at the helm, has been bringing his boys along slowly and is confident. "Our team is getting better with each successive meet and I think that it's at its peak now," he said.

On the other hand, City is coming off of a crushing defeat by Delta Boys 2, Ticker Slickers 0. Renton's John Shovlin and six other men refused to crack.

In racking up their fourth straight win of the year, City College's booters foiled desperate Adelphi tactics at Lewisohn Stadium, Wednesday, en route to a 4-0 victory. The Panthers concentrated on a defensive game. They crowded six and seven men at a time near the goal, hoping to thwart a CCNY score and hold the Beavers down to a scoreless tie. But City ruined their designed plan with a third-period goal by John Koutsantanou. Only then did the Garden City eleven come out of its shell. The Beavers then proceeded to turn the contest into a rout. Adelphi coach Lisardo Diaz plan worked well enough for the first 60 minutes of the game. Although City was constantly on the attack, the stout Panther defenders refused to crack.

The turning point came at 16:35 of the third quarter when Koutsantanou, assisted by Wolf WostL, peppered home his fourth goal of the season. Now Adelphi had to play the Beavers' game. One could easily see why the Panthers didn't want to go in the first place. Turning on the pressure, City quickly drove in two more goals, another by Kouts and one by Bob Hayum, to ice the game. Bill Arnherter added another score in the fourth frame.

Jack Hyman, Adelphi's fine goalie, whose kick-backs often scored more than half the length of the 100-yard field, had a total of 29 saves. By contrast, City's Wally Meisen entered two goals in the fourth frame. The Panthers didn't want to do so.

FARMINGDALE NEXT STATION FOR THE 'KARLIN EXPRESS'

By Steve Aslenberg

Tell your coach, Harry 14 hot players home. This Island Arggie coach Ken Pina used to sum up the threat that his booters will offer to tomorrow when they meet City College's undefeated team at Farmingdale, L. I. The Arggies have seen better years. Their one possible hope for soccer salvation, George Miklis, is out with a back injury and will probably never play intercollegiate soccer again. Walter Smith, fullback, and Angie Piltis, on outside left, are the only holdovers from last year's squad who won only three of 11 games, all three with ties. The remainder of this year's outfit are freshmen. None have ever played before.

Scoring only four goals so far this season, the Finers managed to tie Hofstra, only to drop games to Fort Schuyler and Kings Point.

When he heard that City had defeated Army, Coach Pina expressed the hope that his squad could hold the Beaver scoring to a minimum.
