Educators to Evaluate City; Slate Inspection of College

President Buell G. Gallagher has announced that a team of twenty-one educators representing the Commission on Institutions of Higher Education of the Middle States Association of Colleges and Schools will visit the College December 5 and 6 for the purpose of evaluating the City College.

Leslie W. Engler, dean of administration at the College, said: "The purpose of the evaluation is to stimulate the College to reassess its own achievements as well as to afford the College an opportunity to see itself through the eyes of experienced, interested, yet detached colleagues in order to help it strengthen and improve its work."

Written reports covering all aspects of the College have been filed with the committee by the College as the basis for the evaluation team's report to be submitted in the finding.

All students of the College will be made available to the team. Faculty members have been invited to serve on the team.

Representatives from the field of business, T. A. Rand, dean of the Wharton School of Finance and Commerce; Harry A. Feinberg, vice-president of Temple University; and John B. Wilcken, executive vice-president of the New York Bar Association, were added to the team.

Ad Societies Set Meeting

In an effort to further the interests of all the advertising students at the Baruch School, Alpha Delta Chi and Alpha Chi, the national professional advertising fraternity for men and women, have selected faculty-student reception next Tuesday at 6:30 in the Lamport House, 25 East 22 Street.

Dave Mammert, ASB president, has invited Professor Walter A. Jack, Meeks; Claude M. Bader, Mitchell A. Roberts, and David B. Hymes, Advertising; Professor Irving Rosenthal, of the English Department; Dr. Arthur E. Albrecht, chairman of the Advertising Department; Robert E. Boruff, of the Art Department; and Dr. Martin Feinberg, of the Psychology Department, to attend.

All students majoring in advertising are urged to attend.

Past activities of Alpha Delta Chi include work for the Day Care Council. This year the group is working on a program for the New York Telephone Company in conjunction with the Army Reserve. The group also is active in the home, national advertising agency.

Gamma Alpha Chi has done considerable work for Radio Free Europe.

Council Puts Fee Raise On Referendum Basis

Last Friday night Student Council authorized President Buell G. Gallagher to propose and vote on a $1 Student Activities Fee raise and to inform the student body, in the School Council elections of December 11.

At 6:30, President Buell G. Gallagher, who is in favor of the raise, presented an amendment to speak on the subject before Freshman Chapel.

Council also selected six students—Herbert Cohen, Harold Cord, Paula Goodman, Harvey Weiss, Morton Lazarus, and Hy Smith, and one faculty adviser—Professor Morton Feinberg of the Psychology Department, to set a meeting of the Baruch School Alumni Association, November 10.

Using the recommendation of the review bureau, President Buell G. Gallagher announced the winner of the annual Student Activities Fee raise and to inform the student body, the Student Council elections of December 11.

Degree Change
A quick reminder will be issued shortly to clarify the question of committing the present degree received to Baruch School, and Bachelors of Arts degree. All of these schools are members of the American Association of Colleges of Schools at the University of Pennsylvania.

The request goes to indicate that among the schools the Baruch School—$040,000 for which will go to the University of Pennsylvania; the Brooklyn College—$2,147,440 for which will cover the remaining costs of the Baruch School. The remainder will be received by the University of Pennsylvania, and the Baruch School.

Bears an unfavorable connotation. Unfortunately, much of the Baruch School is out of step with the rest of the University of Pennsylvania.

The instructor finds fault with many of my classmates. I realize all of us get "characterez" and will not be on a grade sequence, and will not be on a competitive basis. We feel we will be at a loss during the term.

Your student, Samuel Perelson, '56

CCNY Booters Finish Unbeaten With 3-1 Conquest of Mariners

By Marty Goldhirsh

Playing his last intercollegiate soccer game for City College, Morris "Moishe" Hocherman scored the winning and insurance goals in the last period as the Booters defeated the Mariners, 3-1, in a rugged New York Maritime Academy game, 3-1, in a

Prior to his heroics against the Mariners, the spindly little dynamo had tallied the winning goals against Brooklyn and Hunter.

The conquest of the Mariners gave City its first undefeated season since soccer became a major sport at the College. The Mariner record was evened up with an 8-8-1 record, a tie with Queens preventing an all-winning year. Hocherman broke the tie after the first quarter.

Wolfgang WostI put City ahead, 1-0, at 4:10 of the second session when he turned a pass from Hocherman into his sixth goal of the season.

At 6:30 of the third period Bob Sievert put the Mariners back into the game when his short boot from the right side eluded the diving Wally Meisen.

Hocherman broke the tie after three minutes of the final quarter on a pass from WostI.

The insurance tally was registered by "Moishe" on a beautiful feed from Charley Hammee.

First Undefeated Season Hailed

By Kariin as a 'Team Effort'

"We've had a terrific season," stated Coach Harry Kariin after his Booters had finished the first undefeated soccer season in the school's history by defeating Fort Schuyler, 3-1, Saturday.

"So many of our games were played in the rain or snow," Kariin continued, "that we've been called the 'Mudders' instead of the Booters. At the beginning of the season we were picked to go all the way. We certainly haven't disappointed anyone. We only wish more spectators 'had come out to see our team play."

Coach Kariin also pointed out that it was difficult to pinpoint any one or two of his players and call them outstanding. "It was a team effort," he said, "and everyone deserves an equal amount of credit for our fine showing."

For Coach Kariin, it was his second Metropolitan Conference championship in two years at the helm.

Saturday's game marked the final appearances of six Booters: Charlie Hammee, Wally Meisen, Holman is already working around a nucleus of five men who are expected to make up the team. They are Berson, Ralph Schefflin, George Jennis, Bill Lewis and the rapidly improving, 6-6 Sid Levy.

"The handwriting is on the wall," said Holman, "I hope the boys will make a creditable showing."

"A look at the records will show you what I'm up against," Holman said pointing to a booklet which he carried around with him and which showed exactly what he meant. It contained lists of his varsity roster, the players that lost by graduation and last year's freshmen hoopers who were ruled ineligible: eight graduating seniors, seven ineligibilities and three varsity members who never played freshmen basketball.

"It's going to be a long, hard season," continued Holman, "but I'll tell you one thing: I've never worked with a finer group of boys. They're trying hard and they're showing wonderful spirit."

Big Turnout Buoyed Lucia In Face of Difficult Slate

Which team has the largest squad in the College? The soccer team? The lacrosse team? The basketball team? If your answer to one of the above is yes, you're metropolitan rivals, who have always been tough."

Lucia feels he has been fortunate this year because the team will practice two days a week at the Uptown center. This will make it easier for many of the members of the team, who are Uptown students, to attend practice.
