**Gallagher to Speak At Fall Convocation**

City College President Buell G. Gallagher will deliver the principal address at the Baruch School's annual Fall Convocation, Tuesday, October 16 in Pauline Edwards Theater. Other speakers will include Dean of the Baruch School Emanuel Saxe and Harvey Issacs, president of Student Council.

The first official Fall Convocation was initiated in 1954 with the appearance of Mrs. Eleanor Roosevelt.

In the fall of 1954, a similar ceremony was held at the Baruch School to celebrate the completion of the new campus.

In subsequent ceremonies, other well-known citizens such as Police Commissioner Stephen P. Kennedy and Director Major John J. Theobald delivered major addresses.

Also included on the program were alumni from the College and other outstanding citizens of the city, educational, and national communities who have contributed to the students.

Specifically, the program has been arranged by the Student Council. Other speakers will include Mayor John J. Theobald as well as a series of prominent educational leaders.

SC Picks October 26 For Special Elections

Special and freshman elections will be held Wednesday, October 26 it was announced by the Student Council Elections Committee. Baruch School students who meet the minimum requirement of an "A" average for the fall semester will have the opportunity to run for any of the three positions on the ballot. Students who wish to run must submit their petitions to the Student Council by October 21. The election will be held on October 26.

**Study College Problems:**

**huster Named Committee Head**

By A. L. Goldberg

George N. Shuster, president of Hunter College, has been chosen as chairman of a committee to help solve the numerous problems of more than 25,000 students enrolled in the college, including City College, in and around New York City.

The new committee will be responsible for coordinating the activities of the city's colleges and the New York University. The committee will also help coordinate research activities among the colleges.

Dr. Shuster said this would be of value to the smaller institutions that cannot support a coordinating program.

The representatives met recently at the Men's Faculty Club at Washington University. The committee includes representatives from the New York University, Columbia, Barnard, City College, and the New York University.

Teaching Load Object of Study

Professor Buell G. Gallagher presented a press conference announcing that a study is now being conducted to determine whether the teaching load at the city and state colleges should be reduced from fifteen to twelve hours.

The study, being conducted by a committee of the Board of Higher Education appointed last April, will be completed next month.

In the freshmen elections, the candidate for a Student Council seat with the largest amount of votes will be awarded a two-year seat, while all other students elected to Council will serve until the end of the current year.

Honestly, the current issue of Plucky has an interesting feature: "The Rusty Wheel -- How to keep your car going.

A reader, irritation preoccupying at his rusted car, asks: How do you keep your car going?"

Just Asking: A student walked calmly into the Deputies' Office. "I'd like to register for the fall semester," she said.

Soccermen Swamp "Hustling" LIU, 6-1

The City College soccer team chalked up its second victory of the season, Saturday, at Lewisohn Stadium, when it defeated a spirited Long Island University team, 6-1. One hundred fans watched the fast-moving game in which Billy Sund, Wolfgang Westl and Blaise Bookis each tallied twice.

The game, LIU’s first in the Metropolitan League, showed the Blackbirds to be “a hustling, aggressive club” according to City coach Harry Karlin. In the first quarter, LIU showed its speed and aggressiveness almost immediately. The Beaver, not adverse to the fast pace, maintained it, and by the end of the half the Beaver’s chances for success were almost nil.

Beavers’ first goal: Wolfgang Westl, assisted by Novak and Danny McManus, scored the Beaver’s second goal one minute before the start of the second quarter. City took possession of the ball at the 22:45 mark, and Billy Sund, assisted by Westl, cracked through the Blackbird defense and scored at the 22:45 mark. Novak followed five minutes later to score City’s fourth goal. LIU, never able to do anything of importance, attacked again and again, but couldn’t score.

Finally, Butch Novak, who played inside left, scored after drawing out the Charlie Thorne out of the net. He scored his second goal at the 22:25 mark, assisted by Novak. Westl scored his second goal of the game at the 12:45, unassisted.

In the fourth quarter, Coach Karlin continued his policy of "manipulating all the way around" by substituting one player, and then reversing him again. City maintained possession most of the quarter, and permitted its further scoring by the opposition.

Polansky Calls Hoop Practice

Dave Polansky, City College basketball coach, has issued a call for students to try out for the varsity and freshman basketball teams. Practice sessions will be conducted every day, beginning Monday, at Wingate Hall. All interested students must have medical examinations and eligibility cards prior to the first practice.

Lavender Runners Win; Crossfield Finishes Second

The City College cross-country team, under the coaching of Harry deGiroIamo, opened its season successfully Saturday, by winning the second annual municipal college cross-country meet at Van Cortland Park for the second successive year.

The Beaver runners scored 34 points, while the Queens College tallied 42. Hunter College scored 45 points to finish third. Brooklyn College did not enter a full team; therefore, its point total did not count.

In cross-country, points are awarded on the basis of where the first five runners of a team finish, although seven men may enter in the meet. The team with the lowest point total is declared the winner.

Randi Crossfield finished second for the Lavender running the five-mile course in 29:53. He was almost a minute behind Joe Vogel of Hunter, who repeated his triumphs of a year ago in the time of 26:49.

Rick Hurford finished fifth with a time of 29:59. Ralph Taylor, a sophomore who has been having trouble with his leg, finished sixth behind Hurford in the time of 30:06. The fourth man counted on for aid this year by deGiroIamo, Larry Carver, finished eighth. Tom Doherty, the only other point scorer for the Lavender, was thirteenth.

Lucia Fund Collaps $1000 Short of Air

The "Send Edward F. Lucia to Melbourne" fund-raise drive has collapsed. The decision to end the drive was made by the Upton students conducting the campaign when it became apparent that the $1500 goal could not be reached before the deadline for making the necessary travel living arrangements.

Lucia, upon hearing of the decision, said, "I would like to thank those who supported By so doing, they support City’s athletics. I am extremely grateful."

Approximately $500 was collected before the Uptown campus vote was returned. All other proceeds were given to the Student Activities Fund, a reserve account for the injured City College athletes. It was hoped that the money collected at the Uptown campus of students would be raised, but this was not due to the recent developments.

in Lampert House

Last Chance to File Applications

The Interfraternity Council seeks students to fill the positions of pledges within the fraternity by October 15. The Council has decided to cut the number of pledges from 40 to 20 in order to make the fraternity strong and efficient. The new pledges will be selected by the Interfraternity Council based on their academic and social qualifications. The Interfraternity Council encourages all students to consider joining Alpha Delta Sigma at this time, as the fraternity continues to grow and make a positive impact on the campus community.
