Gallagher Refuses to Allow Talk by Communist Uptown

By Andy Meppen

City College President Buell G. Gallagher Thursday denied permission to an Uptown student group to invite Elizabeth Gurley Flynn, a People’s Rights Party candidate for City Council, to speak on campus.

Dr. Gallagher said that his action was based on a decision made last March by the five principal college presidents who refused campus facilities to the Union of University Students, a communist group. Miss Flynn, convicted in 1953 for conspiracy to advocate the overthrow of the United States government by force, was refused from prison five months after serving a three-year sentence.

To speak Thursday when invited to speak at a forum of the present Discussion Club, a chartered student organization on campus, Dr. Gallagher said that the club was using Miss Flynn’s candidacy as a pretext for inviting her. Miss Flynn, commenting on the decision, said, “It seems to me an invasion of the right of free speech. After all, I’m an accredited candidate on the ballot.”

GOP Candidate for Mayor Speaks to Students Friday

Robert K. Christenberry, Republican candidate for Mayor of New York City, will speak to students enrolled in Contemporary Issues in American Democracy Friday at 10 in 1220.

Christenberry’s talk was arranged by the School’s Government Department for the Government 2 classes. The Department has been working to secure Mayor Robert F. Wagner for a campaign speech at the School but has been successful only as far as receiving confirmation that the Mayor will speak. No date has been set for his talk, but a spokesman for the department said yesterday that efforts would continue to secure the Mayor for an address before the election.

The Government 2 classes are currently at work in the majority campaign. Each student has been assigned to work a minimum of ten hours with one of the major party candidates or with the nominees for Borough President of Manhattan, Democratic incumbent Hulan Jack or his Republican opponent, Melvin L. Krulewitch.

Christenberry, a hotel executive and former chairman of the New York State Boxing Commission, has thus far concentrated on the Republicans in his campaign, but Carter cancelled his talk.

College Called Left-Wing By Student in Magazine

A City College student has attacked the College as being a “hotbed of left-wing activity.” Dick O’Malley, an Uptown student writing in the November issue of American Mercury, has been successful in control of the student press, student government, and student activities since the mid-30’s, and that there has been “no really effective conservative group at CCNY.”

Lavender Booters Down Army, 3-2, As Wachter, Sund, Paranos, Register

WEST POINT, New York, October 26—Before more than 300 City College fans cheering themselves hoarse and carrying such banners as "Beat Army's "Ass" (referring to the Army mule), the Booters downed a determined Army squad today, 3-2, at Clinton Field.

The game was marked by hard, rough, playing and was evenly fought throughout.

The Booters struck quickly, getting off to a 2-0 lead within five minutes of the starting whistle. The first score came at 1:20 of the first period, as Marco Wachter slammed the ball into the nets, beating Army's star goalie, Fred Manzo. Four minutes later, co-captain Billy Sund scored to bring the count to 2-0.

From that point on, the game was evenly fought until Les Gibbons scored on a direct corner kick with less than two minutes remaining in the first quarter.

In the second period, the Booters took the offensive and did not let up until Fred Morrisson scored after a melee in front of the Army goal, knotting the count at 2-2.

The remainder of the half was played on even terms, as both teams drove the ball back and forth on the field.

Paranos Scores

City went ahead to stay at 1:16 of the third period, as Johnny Paranos rammed the ball home to give the Booters a 3-2 edge. For the remainder of the third period, the Booters held the offensive, but could not score. But, Heinz Minnerop and Ike Clark had shots on the goal, but both were wide.

In the final quarter, the Cadets sensed the fact that time was working against them, and they were on the short side of the score. They started several drives, but each time, either Paranos or Stan Dawkins would intercept and head the ball out into mid-field.

The final minutes of the game were marked by Gabor Schlisser's removal to the defense. Schlisser, who is an expert ball handler, was particularly valuable in this role in the final seconds.

Beavers Victors, 7-1, Over Fighting Adelphi

The Adelphi College Panthers surprised the City College soccer team for one period Wednesday. Then the Beavers got down to business and scored twice in each of the last three quarters to ride roughshod over the Panthers, 7-1.

The Panthers played so well, in the first period, that Leon Manfred, Lavender goalie, was forced to make eight saves, more than any for a total game thus far this season.

Wachter, Bonnet Score

The Booters kept the play even until the last five minutes of the half. Then, Marco Wachter and Fred Bonnet, through Minnerop's twenty-first birthday, slammed home tallies to bring the half to its end.

When the horn sounded for the second half, the Beavers came out with the advantage as Heinz Minnerop tallied after a kick by the Panther goalie went astray and the Adelphi net was left untended.

Gabor Schlisser scored his first goal of the day ten minutes later, taking a pass from Saul Fein. Keeping the ball in Adelphi territory, the Booters ran the count to 6-1 when Billy Sund scored from 20 yards out. When the first period ended the score was 2-0.

Karlinmen Set to Face Hawk, Temple Eleven

By Mel Winer

City College's soccer team, attempting to extend an undefeated slate, will meet Hunter College and Temple University this week.

The Beavers, currently 2-0 in league competition, will meet their third conference opponent. Hunter is an unbeaten team and the Hawks probably will not be able to score more than two goals in any game this year.

The Hawks will be the defensive stars, co-captains Bob Law and Maurice Hartman. Lead goals for the Hawks are considered one of the better in the metropolitan area.

Saturday, the Beavers will face an "iron man" Temple squad from Philadelphia. Owls, coached by Pete Leonard, have a roster of eleven men on one playing manager. Thus in this season they have lost Rutgers and tied Hofstra.

The high scorer for the Owls is John Smykal with two goals. Other standouts in the Owls are John Schultz and Happy Kellog. Goal tend for the Owls is Hal Wells.

The Beavers, with 12 goals in four contests thus far this season, are not expected to have any difficulties in this contest.
