State Aid Drive Begins
As Presidents Confer

President Buell G. Gallagher told two Student Government Presidents to do whatever they could in the way of getting State aid for the city colleges.

The meeting was held in Dr. Gallagher's office yesterday with Larry Schiff, Baruch Student Council president, and Mike Horowitz, Uptown SG head.

The move was the second in this year's drive to get State aid for the municipal colleges, the first being the Brian of '59, according to secretary; and Bill Dihk...consists of Bob Nadel, vice...Ed Sullivan, corresponding...the final draft called for scholarships to states that the scholarship program would have brought in.

The first federal aid to education bill was passed by Congress in August and was immediately signed by President Eisenhower. The measure made $887 million available for students and colleges across the country.

A major provision of the original bill, which was omitted from the final bill called for scholarships to students. As passed, the bill provides for student loans.

The omission of the scholarships clause was a defeat both...not be open for use while work is in progress. The $90,000 project consists of...Rewiring Project Halted By Supply Firm Strike

A strike by a supplier of electrical equipment has tied up the Baruch School rewiring project. Completion, originally planned for this semester, may now be more than a year off.

The $90,000 project consists of changing the present direct current electrical system in alternating current.

When completed, the change in current will make possible the installation of fluorescent lighting throughout the entire School building. Several new floor lounges and the cafeteria already have the new lighting installed. The strike will not completely stop the reconstruction, but slow it down considerably.

Federal Aid

The United States Congress has finally passed a National Defense Education Act. This new law was introduced by Senator Sea by his friend, Senator Taft on December 16, 1949. It is now the law of the land and will receive the President's signature on the night of March 21, 1950.

This new law is the most far-reaching educational legislation ever passed by Congress. It is designed to provide financial assistance to students in colleges and universities who are studying science, mathematics, and engineering. It is also designed to help offset the rising cost of tuition and other educational expenses.

The act provides for a total expenditure of $25 billion, to be spent over a period of five years. The money will be used to support the education of students in the fields of science, mathematics, and engineering, as well as to support research in these fields.

The law also includes provisions for the creation of a National Defense Education Board, which will be responsible for administering the act. The board will be composed of the Secretary of Defense, the Secretary of Education, and the President of the United States.

Welcome

The Fifth Annual Welcome to the Incoming Class of '52 and cordial greetings to Father and friends of the Class of '52, is now here. It is the time of year when we come together to celebrate the beginning of a new academic year. It is a time of excitement and anticipation, a time of new beginnings.

Welcome to the incoming Class of '52, and to all those who have joined us this year. We extend a hearty welcome to you all, and wish you every success in your academic pursuits.

Three More Steps to the Bric

To say that the United States is at the brink of war is to say that it is at the edge of a cliff. The situation is tense, and the world is watching. The United States must take three steps to bring about peace.

First, we must increase our military spending. The United States must have a strong military to defend itself against the threat of war. We must be prepared to meet any challenge that may come our way.

Second, we must negotiate with the Soviet Union. The United States must work to reduce the tension in the world. We must be willing to compromise and to make concessions.

Third, we must strengthen our alliances. The United States must work with its allies to ensure world peace. We must be willing to defend our allies, and we must be willing to work with them.

These three steps will bring about peace and stability in the world. The United States must take these steps, and it must do so with determination and resolve.
The student organization was started at the end of the fall term. Student Council was founded in 1933. The first official Student Council meeting was held in 1934. The Student Council is a representative body of the student body of Baruch College. It is composed of elected officers and representatives from each of the student organizations.

Student Council is an integral part of the Student Government at the Library, but it is a different the Baruch School. This Student Council is planned on the second and third floors of the Baruch School. The Student Library at the Baruch School is also on the third floor. The Student Council represents all the students, on the second floor of the Baruch School. The Student Library contains complete reading matter. The New York Times and The TICKER. New in the third floor, the elevator goes to the third floor. And we will have to walk about two flights or so to go to the third floor, which it is.

The TICKER is part of the Phoen student life, as are the other daily newspapers. You a­not have to pay for the TICKER. However, this does not mean that the TICKER is by any means free. And many of the problems beset the tickets. We hope that the TICKER will do a good job in the future. Perhaps the campus news will continue to be published. We hope that the TICKER will continue to be published. The campus news will continue to be published.

The co-curricular program at the Baruch School is unique in that it allows students to participate in extracurricular activities with their specific specialties. Also, many courses are religious and political in nature. The Baruch School is also famous for its alumni and former students. The Baruch School is also famous for its alumni and former students.

BASKETBALL

The City College's women's basketball team is the only team in the country to have won four consecutive national championships. The team is coached by Coach Jones, who has led the team to victory in every game this season. The women's basketball team is a representation of the City College's strong athletic program.

OSCAR MIAGI

Oscar Miagi is a former member of the City College's soccer team. He retired from the team in 1972 because of injury. Miagi is now a teacher at the City College and is involved in community service.

SWIMMING

The swimming team at City College is a strong and competitive team. The team consists of both men and women and is coached by Coach Thompson. The team has won numerous championships and is expected to continue its success this season.

RUGBY

City College rugby team is one of the strongest in the country. The team is coached by Coach Smith and is known for its strong defense and powerful offense. The team is currently ranked number one in the nation and is expected to win the national championship.

STUDIES URGED OF ORG BY PRESIDENTS

Student body presidents from all over the world addressed the National Student Association yesterday in a joint meeting. The presidents agreed that further investigation into the college administration and the responsibilities of the students is necessary. This was the consensus after the presidents discussed the current issues facing their institutions.

The presidents also discussed the importance of leadership and the need for students to take an active role in the decision-making process. The presidents agreed that more should be done to involve students in the decision-making process at their institutions.

The presidents also discussed the need for better communication between the students and the administration. They agreed that more should be done to ensure that students are kept informed of important decisions and that they have a voice in the decision-making process.

The presidents concluded their meeting with a call for stronger leadership and more involvement of students in the decision-making process. They urged that more should be done to involve students in the decision-making process at their institutions.

Booters Open 1958 Season
Minus Only One 1957 Starter

Coach Harry Karlin Labor Day and knew where ship, ministry one people knew he stood. "This year's team is we a good club this season," he added. Leading all National soccer players from City College to ever make the All-American first team. As a defense man last season, Para nos netted six goals making four out of five from the free kick line. Paranos was also the recipient of the Alumni Soccer award for his 1957 play.

Gold Gets Tilden Position;
Served as Baruch Coach

Former Baruch School basketball coach Jerry Gold was named to head the Tilden High School hoop squad for the 1958-59 season. The 25-year-old mentor studied under Nat Holman when he was a player for CCNY in 1951.

The coaching job was originally promised to Sam Beckman, since Saul Krokow was giving up. However, a Board of Education rule making an appointment for three years was invoked and Beckman, who was appointed to Jefferson High School as a gym teacher two years ago, was unable to get the coaching post at Tilden.

Tilden Principal Abe Margolies confirmed the fact that Tilden wanted Beckman, "I'm sorry we can't get him (Beckman), but it's a legal problem that's involved," he admitted.

Upon receiving news of his appointment, Gold said, "I consider myself pretty lucky, but, boy, it's a funny feeling to know Sam Beckman was the other man involved. I've known him..."

Beckman is known for sending Hugo Green, Vinnie Cohen and Chuck Gaines to Stardom. Green made it big at Queens and the pro. Cohen at Syracuse and Gaines starred at Seton Hall.

Gold, like other coaches, welcomed the news, remarked, "He's a guy kid. At least they were lucky to get a boy who knows his basketball." The "Tilden" wanted me and I wanted them, But now I'd tell them I can't transfer from Jefferson," Beckman said.

During the high school days at Columbia Grammar School, Gold was an All City and on the football team. Upon receiving Gold, he went out for the football team but, when the Beavers dropped the sport, Gold switched to basketball.

Gold was a sophomore on Nat Holman's squad when the basketball season broke in 1948. He started for the varsity team in his junior and senior years. Last season he coached the "Financial Five" to a 6-4 record. George "Red" Wolfe will coach the Business men this year.

Paranos Chosen for Cover
Of NCAASoccer Handbook

The 1958 edition of the National Collegiate Athletic Association Guide has City College defense man Johnny Paranos pictured on the cover. The handbook, which is the national "bible" of intercollegiate soccer activities in this country, selected Paranos over every other college boater.

The chairman of the selection committee, Huntley Parker, in presenting the honor to Paranos, with his All-American scroll, called the Beaver defense man "the outstanding soccer player" he has ever seen. Parker is also coach of Brockport State Teachers College and president of the National Soccer Coaches Association.

A major at the Main Center, Paranos goes into a game feeling very pessimistic. The first five minutes of the game I play I play, probably because I spend that time sizing up my opponent," he confesses the powerful Paranos.

But, the records reveal, the rest of the game Paranos spends playing the key goal with skill and efficiency.

"A Spectator Sport"

Although soccer games don't draw tremendous crowds, Paranos feels that soccer is a very good sport from the spectators' point of view. "It even competes with football and basketball," he adds.

Paranos learned the game of soccer in Italy, where he fled after bombardments in his native Yugoslavia during World War II. When he came to America, he didn't get a chance to play soccer in high school. Entering City, Paranos participated in cross country, lacrosse and, of course, soccer.

A year and a half ago, Paranos underwent an operation on a dislocated shoulder. During the summer following the operation, he worked at Dave Polansky's camp.

Hopes to Repeat

The All-American senior "hopes that the team has as good a season this year as last." In addition to the team record, Paranos feels that there are more individuals on the squad who are All-American material.

One of Paranos' assets is his ability from the free kick line. This year, he won first after making 18 straight in his career. During the season, however, he converted four out of five.

Middlmen Tie in Practice Session

The Beaver booters were almost sunk by the Middlmen from Annapolis, but rallied in the last period to salvage a 2-2 tie in the first scrimmage of the season Saturday. The game was played at Adelphi College's Stiles Field.

Although a tie, the game will not affect the Beavers' 10-game winning streak since it was an unofficial scrimmage.

Early in the game with 2-0 deficit, two goals by Gabor Schlissler tied the score, but the Middlmen failed to get the third a winning goal despite several efforts in the final minutes.

"Earlier in the game Johnny Paranos did what he rarely does—missed a penalty kick. The boot sailed to the left of the cage in the 15th minute. Paranos was awarded to City after a Navy player touched the ball in the penalty zone."

The Midshipmen scored in the first half after bombardments in his native Yugoslavia during World War II. When he came to America, he didn't get a chance to play soccer in high school. Entering City, Paranos participated in cross country, lacrosse and, of course, soccer.

A year and a half ago, Paranos underwent an operation on a dislocated shoulder. During the summer following the operation, he worked at Dave Polansky's camp.

Hopes to Repeat

The All-American senior "hopes that the team has as good a season this year as last." In addition to the team record, Paranos feels that there are more individuals on the squad who are All-American material.

One of Paranos' assets is his ability from the free kick line. This year, he won first after making 18 straight in his career. During the season, however, he converted four out of five.

Schlissler Scores Twice

The Beaver booters were almost sunk by the Middlmen from Annapolis, but rallied in the last period to salvage a 2-2 tie in the first scrimmage of the season Saturday. The game was played at Adelphi College's Stiles Field.

Although a tie, the game will not affect the Beavers' 10-game winning streak since it was an unofficial scrimmage.

Early in the game, Johnny Paranos did what he rarely does—missed a penalty kick. The boot sailed to the left of the cage in the 15th minute. This year, he won first after making 18 straight in his career. During the season, however, he converted four out of five.

The game was played as part of a "Day of Soccer." In the morning, Long Island high school coaches and players participated in a clinic designed to further the sport on the Island. Most of the group stayed for the afternoon.
