Deputy Mayor, BHE Head Tour Building on Tuesday

The Deputy Mayor of New York, Paul T. O'Keefe, the Chairman of the Board of Higher Education, Gustave Rosenberg and the Administrator of the Board, Mrs. Pearl Max, visited the Baruch School Tuesday morning.

The visit was made to allow Mr. O'Keefe, a Fordham University graduate, to become acquainted with the problems of the municipal colleges. He was recently appointed John A. Theobald, who was named Superintendent of Schools.

The dignitaries were accompanied by President Buell G. Gallagher, Dean Emanuel Saxe, Dean of Students Ruth C. Wright and Assistant Dean Samuel Thomas. Several student leaders also accompanied the group.

Inadequacies Shown

The tour of inspection began in the Faculty Council Lounge and then progressed to the Cafeteria, where Dean Saxe pointed out the inadequacy of the "O" by 12" Faculty Lunchroom.

The group then went to Business Reference Library on the third floor and after that to Hansen Hall. The final stop was the Textile Laboratory on the eighth floor.

After the tour, the entourage went to the Dean's office on the 16th floor, where the Dean, President Gallagher and Chairman Rosenberg impressed on Mr. O'Keefe the inadequacy of most of the Baruch Schools' facilities.

Future Proposals

A favorable opinion by Mr. O'Keefe may very well go a long way toward having the Board of Estimate act favorably on all proposals involving the Baruch School in the near future.

Chief among these are the proposed Student Center and the plans for acquiring Mabel Dean Bacon High School and adjacent property to erect an annex to the Baruch School.

SC President Declares 'I Will Not Run Again'

Larry Schiff, president of Student Council, has announced that he will not run for re-election. Schiff, commenting on his decision, said, "I do not plan to run for re-election on personal reasons."

Bob Nadel, vice-president of SC, is running unopposed for the President's chair.

Schiff, continuing, stated that, "My hope, however, is that I will be able to continue to be active in some of the more fruitful activities that SC is now engaged in. I am speaking particularly of our curriculum study."

Schiff said that he "would like to see the establishment of a group of students within each specialization whose purpose it would be to critically analyze in their own area "

Civil Rights Group: Gallagher Gets Temporary Post

By Dave Podoff

Dr. Buell G. Gallagher was selected as temporary chairman of the New York State Advisory Committee of the Federal Civil Rights Commission at its organizational meeting, Monday.

Subsequent to Mr. Wilkins' suggestion, subcommittee chairmen were named for each of the three main areas of the commission's work.

Dr. Buell G. Gallagher

Holman's Return Marred; Lewis Scores 20 in Loss

Nat Holman's return to the CCNY basketball scene was marred by the Columbia Lions last night, as the Beavers dropped a 64-56 decision before a capacity crowd at the Lions' gym.

Columbia's defeat was marked by bad ball handling and lack of teamwork. The Beavers' shooting, although poor in the first half, picked up in the final part of the game. The Lavender out-scored Columbia, 33-28, in the second half.

The Lions were led by Murray Melton, who scored 20 points; 14 coming in the first half. City's Hector Lewis also tallied 20.

Columbia quickly jumped out to a 10-point lead but City tied the score at five all. The Beavers piled up straight points, however, increasing their lead to 14. They dominated play for the remainder of the half and led at the half 33-23.

In the middle of that half, however, the Beavers broke through the clogged up middle that the Lions had so effectively used in the first half. The deficit was decreased to 40-39 at the ten-minute mark on a jump shot by Lewis.

Julio Delatorre brought City to within five points of the Lions on a 20-foot shot, but Melton increased the lead to 41-42 in a few seconds later.

The Beavers fought back to 43-49 on a jump shot by Hal Baum, but as the City scoring continued to go to a half Columbia increased its margin to 57-43.

Prior to the varsity game, the Baruch School's basketball team (the freshmen) battled the Columbia freshmen, 61-57.
To be Specific...

Earlier this week, a tour of the Baruch School was visited by several dignitaries, including the Deputy Mayor and the Chamber of Commerce. However, a majority of the individual note spots in our survey of the Baruch School included:

One of the spots visited was the Cafeteria and the new lighting system to be put in place. Unfortunately, this emphasis was entirely justified. And, we feel that the Baruch School is the victim of a prejudice against the Baruch School in New York City. Although the tour was relatively short, it in no way could stop the Baruch School from being criticized. This question was settled by the Baruch School's art department.

...and in General

The Baruch School is one of the few institutions of higher education by those supposedly in favor of specialization. Hardly a setting for intensive research. The tuition plan, in addition to providing funds for operation of the college's art department, would be used to increase city revenues, will be distributed, and more. Each school will be served.

Eisner Hall, which houses the college's art department, will be opened to the public. The Baruch School has lived in its own life for a long time and it is natural for us which is making our institutions superior. This is the time of the Baruch School. If the Baruch School has not been taken for granted, it is because it was not made for the Baruch School.

In cropped form, the Baruch School is the victim of a prejudice against the Baruch School in New York City. Although the tour was relatively short, it in no way could stop the Baruch School from being criticized. This question was settled by the Baruch School's art department.

All-College Prom Loss

Lowest in Two Years

The theme of the All-College Prom was &quot;Dressed to Impress,&quot; leading to final estimates of the Baruch School Prom Committee of &quot;Worldly Style&quot; by Warren Blumenthal. Actually, the Prom was the most successful Baruch School social event in recent years.

In April, 1958, the short Baruch School, which held its first annual dance in 1956, had the largest attendance at $13.00 per person. This year the School Prom was held at Blumenthal Hall in a rented apartment. The ticket cost $12.00 per person but only $4 per person was raised for charity.

The &quot;Dressed to Impress&quot; theme was carried throughout the nation. Prom was a black and gold affair with decorations by Student Council committee.

President Larry Shiff said, &quot;I am happy to say that the Prom was a success. The decorations were adequate and the only disappointment was that the Cafeteria and the new lighting system soon to be put in place. Unfortunately, this emphasis was entirely justified. And, we feel that the Baruch School is the victim of a prejudice against the Baruch School in New York City. Although the tour was relatively short, it in no way could stop the Baruch School from being criticized. This question was settled by the Baruch School's art department.

City Meets Hunter In Stein Fund Tilt

By Bob Signer

City will meet Hunter College at Wingate Gymnasium Saturday in the annual Stein Fund basketball game. The meeting will be the first of a home and home series.

Last year, CCNY played Hunter twice losing the first, 62-56, on an 18-second stolen ball, and won the second, with plenty to spare, 76-51.

Hawks coach, Mike Fleischer, said, "The team lacks height, and injuries always bother us."

"We're tried and untested," he adds, "but very willing and able to move the ball well. The kids have good speed and are fit."

Leading the Hunter players will be Barry Falk and Mike Brier. Last year, Falk was high scorer and also tied for the lead in rebounds with Brier.

According to Coach Fleischer, Brier is expected to be a "steady influence" on the team.

Coach Nat Holman's team, seeking its first win of the season, will be led by big Hector Lewis, Marty Groveman, Julio Delatori and Barry Kiansky.

Guy Marcus will most probably be a starter along with the above four. Holman won't have recuperated from his leg injury.

"There's no frontier," Holman said. "All we know is that it hurts and we'll be up a bit when he puts too much pressure on it."

The basketball team will have four Baruchians on the roster. Besides Groveman, there is Herb Waller, Tony Pelliniche and Rudy Rimanch.

Waller is a 5-11 senior while the other three are sophomores. Pelliniche and Rimanch measure 5-10 and 6-2, respectively.

Grudge

The TICKER will play the Intra-Mural Board in a "friendly" game of basketball—usually labeled a grudge match—tomorrow, from 2-4 in Hansen Hall.

The Newman Club retains its Intra-Mural Board crown by virtue of a 30-0 win over the Highwaysmen last week at the East River Park.

In the IMB bowling meet, the Winners lived up to their name. Members of the Winners are Jerry Farra, Sam Murray, Bob O'Connel and George Privack.

Sink Mermen In '58 Debut

City's swimming team was sunk in its 1958 debut yesterday.

Manhattan College, by virtue of a close win in the final event, the 400-yard freestyle, broke through the mermen's 41-38 lead to take the meet, 45-41, at the Wingate pool.

The City College team held the lead throughout the contest as seven men achieved first-place finishes.

Joe White took the 100-yard and 200-yard freestyle. In the 220-yard event, Baruchian Dave Altnau finished third.

Brewer City's Carl Roth also took first-place honors twice. He won the 50 and 100-yard freestyle. Mike Baray cashed in on two first-place finishes for the Brewer men, the copped butterfly and breaststroke laurels.

Nick West was the seventh City man to finish first as he won the diving competition.

Manhattan took the medley relay, the 200-yard backstroke and the freestyle relay to clinch the victory.

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical— with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or durable. From least hazards to wing-shaped tailgate, these '59 Chevrolets are as smart-looking as anything on wheels. They're just about the handsomest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easier-to-paint glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 5-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.
