SC to Hold Town Meeting To Discuss Town Hours

A Town Meeting will be held Thursday to discuss the feasibility of spreading classes throughout the school day. The meeting will be held in Pauline Edwards' Theater from 12:30-2.

Larry Schiff, Student Council President, said that the purpose of the meeting is to allow all students to express their views on the subject.

The subject arose last week when the SC Executive Committee presented a petition to the Council that the problem be discussed at this Friday's meeting. Actually, no formal stand has yet been taken by the Council.

Opposition to the move has been formulated, mainly in the form of a petition circulated by the Class of '61. Their main contention is that the lengthening of the classes would prevent most students from working.

Larry Schiff

An FCNA ruling states that all petitions must be approved by that group before circulation.

To the Editor of THE TICKER:

I have been a member of the Baruch School for four years, and have been active in campus affairs for the entire period. I was elected as a Democracy Chair of the Student Council this past year, and through my association with that group, I have had the opportunity to observe a wide range of campus activities.

As a Baruch student, I have been impressed with the quality of the academic programs offered. The faculty is highly qualified and dedicated to providing a superior education. However, I believe there is room for improvement in the social life of the campus.

Some students, particularly those in their senior year, may not have the same opportunities for social interaction that they had during their freshman year. This is unfortunate because it is important for students to continue to develop their social skills and to enjoy the company of others.

I propose to survey the student body in order to gather information on their needs and interests. This information will be used to plan activities and events that will provide opportunities for students to meet and socialize.

In conclusion, I believe that it is important for the Student Council to continue to work towards improving the social life of the Baruch School. I am confident that with the support of the student body, we can make a positive difference.

Sincerely,

[Student's Name]
**Recording Sec'y**

Celia Aaron

The position of Recording Secretary is one of the most important in the Student Council. This office is responsible for the accuracy and efficiency of the records kept by the Council. The Recorder is also responsible for maintaining the minutes of the meetings and for seeing that all actions are properly recorded.

I believe that I am well qualified for this position. I have had previous experience in typing and record-keeping, and I am familiar with the procedures of the Student Council. I am also an excellent note-taker and am able to keep up with the pace of the meetings.

I would like to assure you that if I were elected to this position, I would do my best to ensure that the records of the Council are kept accurately and efficiently. I would also be happy to work with any other council members to improve the procedures of the Council and to make it more effective.

I would appreciate your vote for me as Recorder of the Student Council.

Celia Aaron

**Corresponding Sec'y**

Janet Rothwell

The position of Corresponding Secretary is one of the most important in the Student Council. This office is responsible for a variety of tasks, including the collection and distribution of mail, the management of the office, and the coordination of events.

I believe that I am well qualified for this position. I have had previous experience in coordinating events and managing an office. I am also an excellent communicator and am able to handle a variety of situations.

I would like to assure you that if I were elected to this position, I would do my best to ensure that the office of the Student Council is run efficiently and effectively. I would also be happy to work with any other council members to improve the procedures of the Council and to make it more effective.

I would appreciate your vote for me as Corresponding Secretary of the Student Council.

Janet Rothwell

**NSA Delegate**

Andy Meppen

As a candidate for NSA delegate, I want to ensure that your vote is cast in the best interest of all Baruch students. I have been involved in a variety of student organizations and have a good understanding of the issues facing our university.

I believe that the NSA can play a valuable role in providing a voice for students on campus. I would like to see the NSA be more involved in the decision-making process and be a more active participant in the governance of our university.

I would appreciate your vote for me as NSA Delegate of the Student Council.

‘Five’ Loses Game To Adelphi, 65-55

By Eddie Perlman

The City College eagles ran out of gas, Saturday night and were toppled by the Adelphi Panthers, 65-55.

The Beavers entered the game with a reputation of being a great second half team. Unfortunately, the Beavers were the exact opposite in their loss to the Panthers.

City broke the ice in the first half on a pair of foul shots by Julio Delatorre. They continued to play good strong ball during most of the first half hitting outside shots. However, once the second half began, the failure of Coach Nat Holman to substitute for the starting players took its toll. The taller, brawnier Panthers took advantage of the Beaver toil, running through the middle and outrebounding the Hol-men on both boards. Four of the starting five—City-housekeepers played the entire game.

After hot shooting during the first half by Marty Groveman and Hector Lewis, City came out leading, 35-30. In the second half, as in the first stanza, Adelphi employed a 1-2-2 zone defense, which kept City to outside and corner shooting and prevented them from getting inside and driving. City desperately tried to rally with Delatorre, Lewis and Guy Narrot scoring, but a Panther freeze kept the Beavers from advancing any further.

The Crowd Silenced

The crowd in the gymnasium silenced as Bernstein tied the line. He missed the first shot, and the second was missed deliberately, in an attempt to pull down the rebound and score on a two-pointer. However, Steve Green, of Last Chance, got the rebound and killed the remaining two seconds on the clock.

City to Play Queens

City College's basketball team will meet Queens tomorrow night at the F'lushing, New York, battlefield.

Brooklyn will be the Beavers' opponent, Saturday night at Roosevelt gymnasium, in Brooklyn, New York. The Kingsmen will be missing the services of Nick Gaetani, who graduated. Gaetani is the holder of the Brooklyn College scoring record.

Last Chance Squeaks To Tourney Triumph

Last Chance did it! Paced by Sam Rothstein, with 14 points, they took a "squeaker" from the Gunners, 53-51, Thursday, in Hansen Hall, to win the Intramural Board's basketball tournament.

Although defeated, the Gunners' Allen Miller was presented with the Most Valuable Player award at the end of the game. He scored the game's high of 19 points.

Last Chance took an early first half lead which was never relinquished. Backing up Rothstein in the scoring were Bob Halpern, with 12 points and Mary Krasman, with 11 markers.

The game reached high tension in the final one-minute of play. Julie Wolfson took two foul shots for the Gunners, making the score, 52-48. With 30 seconds to go, Allen Miller scored, to make the score 52-51. After Last Chance's Bob Halpern sank one foul shot, the Gunners' Steve Bernstein, who was fouled, had a chance to tie the game up, with two seconds to go.

Tickets

Tickets to the City College-Brooklyn game will go on sale tomorrow, at 50 cents each, at the ninth floor booth, from 12-2. Also, on Thursday, from 12-2.

There will be no gate sale at Brooklyn.
