President Gallagher Accused Of Mishandling College Fund

"I do not want to be known as an alumnus of the largest college or largest government university in the country. I prefer being an alumnus of the college of the highest academic standards, as it was in my day," said Dr. Harry Landman. The president was made in a letter of resignation addressed to the Board of Trustees.

The Board of Trustees and Dr. Landman agreed on the resignation, the latter saying that he would continue to serve as president until a successor was appointed.

The Board of Trustees has named Dr. Howard Mishlan as the new president of the college.

Howard Mishlan

Anti-Semitism To Be Discussed

The Anti-Semitism To Be Discussed panel will feature Hillel Marx, a member of the Hillel Foundation at the New York School. The panel, consisting of Hillel Marx, journalist and author, and Aram Simon, executive director of the Student Union Foundation in New York, will discuss the meaning of anti-Semitism in the recent years of anti-Semitic incidents. In connection with his visit to Hillel, it was announced that a student volunteer organization, Hillel, has been established at the college.
Mermen Finish Fifth
In Metropolitan Series

Mike Bayuk and Nick swimming winners, were dethroned last week as the College's swimming team captured fifth place in the Metropolitan College Swimming Championships. This was the second year in a row the College's swimming team had finished fifth. In 1959, the College's swimming team also finished fifth.

The Metropolitan College Swimming Championships are held annually and are open to all colleges and universities in the metropolitan area. The College's swimming team is one of the top teams in the metropolitan area and has consistently finished in the top five in recent years.

The College's swimming team is coached by Dave Borah, who has been the coach for over 20 years. Borah is known for his ability to develop talented swimmers into championship performers.

The College's swimming team consists of both men and women and is divided into individual and relay events. The team's success in the Metropolitan College Swimming Championships is a testament to the dedication and hard work of the swimmers and coaches.

The College's swimming team is one of the most successful teams in the metropolitan area, and their success has been attributed to the strong support from the administration and the community. The team's success is a source of pride for the College and its fans, and their performance in the Metropolitan College Swimming Championships is a reminder of the team's commitment to excellence.
