University Set-Up Proposed
For City Colleges by Board

A report by a Board of Higher Education committee to Look to the Future, headed by Mrs. Mary S. Ingraham, has proposed the reorganization of the municipal colleges in the city universities. The proposed set-up would give New York the largest university under single auspices in the country.

President Buell G. Gallagher, commenting on the report at his press conference yesterday, stated: "It is logical, sensible and feasible. It provides an effective answer to the needs of the ensuing years, and the increased interest in higher education." Dr. Gallagher also noted that the autonomy and integrity of the seven city colleges would remain intact, and this would not preclude the proposals of the said report.

"The essence of the BHE's proposals is that it is the establishment of a university system, involving substantially structural changes in the present system, but involving a number of points for strengthening the set-up. It is with the universities pleased President Gallagher.

"With a graduate program, City College would be able to cover the former academic and the human Relations Seminar

James Farmer, the National Program Director of the National Association for the Advancement of Colored People, and one of the founders of the Congress on Racial Equality, will present the keynote address at the Baruch School Human relations seminar Sunday at 12:45 in the Student Center.

In the keynote address, Mr. Farmer will analyze the study of human relations and explore the role of the college as a force for democratic living.

The seminar, the first of its kind at the school, is being sponsored by the National Student Association Committee of Student Council. The program will cover topics with discrimination practices in the North, and will explore both college and community practices.

Problem areas which are slated for discussion include housing, employment, college admissions and discriminatory policies of institutions.

Other speakers at the seminar will be Mrs. Sophia Diers, Education Representative of the State Commission Against Discrimination; Mr. Sol Arbiter of SCA; Mr. William Van Dyke, Director of Housing for SCA; Mr. Roger Shaw of the National Conference of Christians and Jews; and Mr. R. R. Newman, Director of the New York Urban League.

Representatives from the Department of Housing and Cultural Affairs of the National Conference of Christians and Jews, the Congress on Racial Equality and the American Jewish Committee will also speak.

Additional topics to be considered at the seminar are the role of the administration and agencies in human relations. There will be a final summary of the part which students can play in developing an effective human relations program.

The seminar, to be held in the Oak and Marble Lounges of the Student Center, will begin promptly at 12:45 and students must be present at this time in order to gain admittance.

The seminar has been a part of President's Mr. Arty Schreiber, a former senior, and Dave Podoff, a junior, will be next semester's Student Council President and Vice President. In yesterday's elections, Schreiber defeated his opponent, David Kleinman '61-453-304, while Podoff, with 355 votes, defeated Robert Solodau '61 and Isaac Tager '61 with 230 and 105 votes respectively.

Friday, December 15, 1960.

Ceremonies Tomorrow Night:
Business Group to Induct Ted

By Marilyn Karlin

Dr. Orway Ted, a member of the Board of Higher Education of New York City, and Vice President and a Director of Harper and Brothers, will be inducted onto the Beta Chapter of Mu Gamma Tau, the National Honorary and Professional Fraternity in Industrial, Small, Personnel and Traffic Management. Dr. Ted will also speak at the semi-annual installation of Mu Gamma Tau at City College on the topic of "Management in the American Economy." The installation will take place tomorrow at 7:30 in the Student Center.

Dr. Ted has been a member of President's Council for Advancement of Management and past Chairman of the Board of Higher Education of New York City. He was a member of President Truman's Com-
The Lost Horizon
By Bob Brooks

"The Lost Horizon" is a novel by James Hilton, published in 1933. The story is set in the fictitious country of Shangri-La, which is located in the Himalayas. The novel's themes include the search for meaning, the importance of perspective, and the concept of a utopian society. It has been adapted into several films and has become a classic of American literature.

Welcome Solution

We meet with open arms support by the Committee to End the Draft, and the Enough Already movement. I am glad to read the report on recent developments of great significance in the United States. The two most notable recommendations of the HICP report are: the establishment of a draft lottery, and the establishment of a universal conscription draft. I believe that these recommendations are in the best interest of our country and its citizens. I am hopeful that these recommendations will be adopted by the government and the public will support them.

Unanswered Inquiries

Several weeks ago Student Union sent two letters to the Dean of Student Affairs requesting that the governing body discuss possible solutions to the problem of the current student body. The Dean of Student Affairs has not replied to either letter. We are concerned that the lack of communication is not in the best interest of the student body and we are calling on the governing body to address this issue.

Walker Re-elected President: To Speak at Commencement

Joe Walker will speak at commencement exercises in June. In yesterday's school meeting, he was re-elected president of the student body. Walker received 100% of the vote and was unopposed. Walker has been a popular figure on campus for several years and is well respected by his peers. He is known for his leadership skills and his ability to handle difficult situations.

School-Wide Elections

The results of the 8th Annual MSS IFC election were announced yesterday. The President of the MSS IFC is Thomas C. Johnson, and the Vice President is Mary Smith. These results are final and will be announced to the school community.

The Pocmont Lodge

The Pocmont Lodge will hold its annual meeting on Thursday, December 12th, at 8:00 P.M. All members are welcome to attend.

The Big Savings

For the benefit of our students, we have compiled a list of discounts and promotions available at various stores. This list includes discounts on Black Friday and Cyber Monday, as well as other special offers. We encourage our students to take advantage of these discounts and save money on their holiday shopping.

Tufide Brief Cases

For the benefit of our students, we have compiled a list of brief cases available at various stores. This list includes brief cases by brands such as Tufide, Kenneth Cole, and Samsonite. We encourage our students to take advantage of these brief cases and find the one that best suits their needs.

College Holiday

The college will be closed on December 24th and 25th for the Christmas holiday. We encourage our students to take this time to relax and spend time with their families.
Beavers Defeated by LIU; Nilsen Scores 30 for City

By Jay Weller

The City College "five" is looking forward hopefully its meeting with the Buffalo State collegers Saturday air at 8:30. This is the first meeting between the two teams each is wondering what is in store for it.

Head Coach Larry Katzman of Buffalo State is arriving to better the record of 5-22 that last year's team compiled. Owing to encroaching sign, however, was that one of those victories was a 10-05 upset over the highly favored University of Buffalo whom the Orangemen had not beaten in fourteen years.

How about this season? According to Coach Katzman, "Last year we had a small, inexperienced team with no capable depth. We will still be small but the experience of last year, plus some promising freshmen should make us a team who can do a little damage through some close games."

There are, however, a few things on the dark side of the ledger. Grover Freeland, a definite starter who has been a real spark-plug with great speed, shooting and defensive ability, has reinjured a foot knee in practice and will not be out of action until January. The loss of Don Fiden, who left school for personal reasons, and Ray Eberle, a fine sophomore who signed a professional baseball contract with Detroit, makes him ineligible for the squad.

Returning to the squad are year men capably as G. A. Powell, 4-4, and Carmen James who averaged 14 points per game respectively last year, and Dave Lewis, last year's leading scorer 17.5 points per game.

The game will be played at Wingate Gym at the University, a preliminary game to the Prairie Cup starting at 6:30, the City College will take on the Pratt Foes.

Coach Dave Polansky

for City, scored thirty points, hitting on thirteen of his thirty-three attempts.

Mike Winston, although scoring only fourteen points, turned in a splendid performance for the Lafayette cause.

Other City scorers included Irvin Warnecke with forty-four, Shelly Bender with six, Teddy Hurwitz with five, Marty Egel with four and Mike Gerber with two.

Vain led the LIU scorers with twenty-four points while Hernandez compiled fifteen.

In a freshman preliminary game the Beavers "five" defeated the LIU frosh 60-58.

Frank SAPponia led City with seventeen points.

Free

Free tickets for the CCNY-Buffalo State basketball game will be distributed by Bob Berkoosh in the Student Center from 12-4 today.

The game is to be played in Wingate gym at 3:30 Saturday. A freshman game at 6:30 with Pratt precedes the varsity encounter.

The gym can be reached by IRT subway to 137 Street or IND subway to 146 Street.

At势力 OFFICIERS: M. A. F. S. M. A. F. S. -

With Tor Nilsen hitting five of his first six shots, the Beavers took an early five point lead and looked as if they might upset the Blackbirds.

The Beavers worked the ball smoothly until they had the opportunity to get a good shot. Criticized just recently for having no shooters, the Beavers shot an extraordinary 85 per cent for the first fourteen minutes of the first half.

"Not bad, boy," began to tell Art Vain, Neil Schneider and Alan Hernandez, dominated the offensive backcourt.

Vain made ten trips to the foul line in the first half, but the game ending total of fourteen points, at halftime.

In the second half, the Lafayette five cut a thirteen point LIU lead to six, at 43-37 and Nilsen, playing his finest game, had the team a lead of five, at 46-41, heading into the second half. The Beavers shot 67 per cent of their shots in the second half.

The LIU lead was cut to one, at 53-52, prior to the beginning of the last quarter when Fred Eberle added a couple of points for the Orangemen.

A tremendous 68-66 upset over LIU, the Beavers dropped their fifth straight game this season last night, losing to Long Island University 75-59 at Wingate Gym. The victory was LIU's fourth in a row.

Dave Polansky's Beavers dropped their fifth straight game this season last night, losing to Long Island University 73-59 at Wingate Gym. The victory was LIU's fourth in a row.
