Gideonson to Represent CUNY As Administrative Group Head

Dr. Harry D. Gideonson is again chairman of the City University Administrative Council. Dr. Gideonson, president of Brooklyn College, was chosen by acclamation September at the Council's first meeting of the term.

The Administrative Council chairmanship is to be held by rotation among the City University presidents for one year before the position is again filled by election.

The election of President Gideonson for one additional year, as of January 1963, will be voted on at a meeting to be held Monday, October 7. The new council will be composed of:

- The president of each college
- The president of the Graduate Center
- The students' representatives of the Graduate Center
- One faculty member from each college
- Two women students

The term of the Administrative Council is to be one year. Dr. Gideonson will not be considered as a candidate for the chairmanship for one year.

The City University Council is to be elected by the students of the four-year colleges. The election will be held November 5. The Council is concerned with admission requirements, salary increases, and budget priorities, which include those for the graduate programs.

Class of '63 to Hold Wintersession During January at Concord Hotel

The senior class selected the Concord Hotel as the site of the 1963 wintertime weekend. The hotel will be held from January 20-22 and will cost thirty-six dollars. The price includes room accommodations, entertainment, the use of sports facilities, and tips.

Reservations may be made in Room 219 of the Student Center. A ten dollar deposit is required and a bursar's statement must be presented. If several people want to stay in the same room, a ten dollar extra charge will be assessed.

Senior Weekend at Concord

The senior class is planning a weekend of winter activities at the Concord Hotel. The entertainment will be provided by the William Morris talent agency. The shows will be held in the Student Center and the money raised will be used for student activities.

By Jay Haberman

Bellush

Professor Bernard Bellush will inaugurate this term's Hillel Forum with a speech on "Disarmament or Destruction." Thursday at 12:30 in the Hillel House, 144 East 24 Street.

By Subscription Only

Mr. and Mrs. Harvey Safren, the coordinators of the Hillel program, have organized a series of events for the weekend of Thursday, October 3. This offer is open on a first-come, first-served basis.
**Council Committees**

By Sue Orshansky

This committee, Student Association Council, is a group which should consist of at least 12 students who are interested in the many activities which contribute to the life of this school. There are presently a total of 14 members in the committee, representing the four years of study. The committee plans to meet once a month to discuss various projects.

Dr. Walter A. Cottrell, president of the school's administrative board, said that "the committee is one of the items in the school's budget which is necessary for the smooth operation of the school." He added that the committee is "very important in the school's future." The committee is made up of students from all parts of the school, including the senior class, which is responsible for the school's annual budget. The committee is also responsible for the school's master plan, which is used to plan the school's future.

**Gaw Calls Advertising**

Liberal Arts Subject" by William Fox

Dr. Walter A. Cottrell, president of the school, said that "the college's advertising department is one of our most important departments." He added that the college's advertising department is "very important in the school's future." The college's advertising department is responsible for promoting the college's programs, services, and events. The advertising department is also responsible for creating and distributing the college's promotional materials, such as brochures, flyers, and advertisements.

**School Facilities Found Deficient, Site Offers No Remedy; Cottrell**

By Wallace N. Way

Dr. Wallace N. Way, president of the college, said that "the college's facilities are in a state of deficiency." He added that "the college needs a new site to accommodate its growing student body." The college's facilities are in a state of disrepair, and the college is in need of a new site to accommodate its growing student body. The college's facilities are not able to support the college's growing student body, and the college is in need of a new site to accommodate its growing student body.

**Public Accounting Majors First in Number of June Graduates**

By Irma O'Brien

According to statistics released by the registrar's office, the public accounting students had the highest number of graduates in the class of 1960. The percentage of public accounting students who graduated in 1960 was 43%. The percentage of students who graduated in 1960 was 27%.

Letters

To the Editor of THE TICKER:

Yesterday morning all students were informed that tomorrow the first of two student elections will be held. This is the first time in my memory that a campus election has been held. Although not a student myself, I think it is of interest to all students.

I have been informed that the election is for the purpose of selecting a new chief for the Student Life Department. It is the first time in the history of the school that such a position has been created. The election will be held in the morning and afternoon of tomorrow.

The candidates are:

1. John Smith
2. Jane Doe
3. Bob Jones

The election is open to all male students who are registered with the school. The winner will be announced at 3:00 p.m. in the cafeteria.

I hope that all students will vote and that the election will be a success.

Sincerely,

[Signature]

Principles?

By Mrs. James

The above article is a fascinating piece of writing, although I am not sure I agree with all of the conclusions presented. It seems to me that the author is trying to describe the nature of life and the importance of education. However, I must confess that I am not convinced by the arguments presented. While I agree with some of the points made, I feel that others are not as well founded. My own view is that education is crucial to the development of a healthy and productive society. Without education, we would be lost in a world of chaos and confusion. It is only through education that we can hope to solve the problems of our time and create a better future for all.

A Summer Saga

By Mike Del Giudice

The summer is a time of great adventure, and this year was no exception. I spent three months traveling through Europe, visiting all sorts of interesting places and meeting all sorts of interesting people. It was a wonderful experience, and I look forward to doing it again next year.

CCNY Booters Open Defense Of Conference Championship Against Improved LIU Team

By Jeff Pale

The Beaver booters open defense of their Metropolitan Conference co-championship by engaging an improved Long Island University team at the Blackbirds' field Saturday at 11. Coach Harry Karlin, optimistic about his team's chances, feels that if City can win the opener, the Beavers could go all the way once again. However, LIU is "up" for the game, since the Blackbirds have never defeated City.

Coach Gary Rosenthal of LIU feels that his team has an excellent chance of improving last season's 5-5 record. LIU is led by junior captain Ray Klivcek, who scored seventeen goals last season and received honorable mention in the all-state selections. Goalie Joe Machnik, another all-state honorable mention, and forwards Paul Bertrand and Jerry Kramer are other highly touted players.

The starting lineup for City will not be known until the start of the game. Several players have just come out for the team; therefore Karlin has additional students to choose from.

Adolph Putre, a promising sophomore, has the job of replacing all-American goalie Andre Houtrku, and Ng, Arnaud and Neville Parker from Brooklyn Tech, are among the thirteen soccer scholarship students at LIU.

Fairleigh Opposes City Harriers

By Steve Rosenblatt

A veteran City College cross-country team, aiming for an undefeated season, opened its campaign against Fairleigh Dickinson and Hunter Saturday at 11 at Van Cortlandt Park.

This event is one of the toughest on the schedule, as the Knights are loaded with depth. The Knights are composed of five lettermen and five sophomores. The newcomers made up the nucleus of a freshman squad that compiled a 7-1 record and took three championships last season.

Sophomore John Williams and his teammates will give the Beavers the most trouble. As a freshman, Williams ran a 4:16 mile and is considered one of the top runners in the east. Williams, who has good speed and endurance, was one of the leaders of the freshman team.

Frazzitta Stars For CCNY As Diamondmen Nip Rams

Bart Frazzitta, the veteran City College bat, single enabled CCNY to whip Fordham, 6-4, in the first game of a doubleheader Saturday at Jack Cooney Field. The Rams took the second game, 5-2.

Frazzitta's hit to center field scored Ron Marino from second base to break a 4-4 deadlock. Marino was running for Arsen Vojcevich, who had opened the inning with a hit. The Beavers tallied their insurance run when Bill Trust hit a fly ball with the bases loaded.

Ron Marino, a sophomore, was the winning pitcher. In the second game, City's hardhitting offense produced only one earned run but lost. Errors also cost Greenman a victory against the Rams in the last game.

Bart Frazzitta

C.C.N.Y. concludes its fall campaign against St. John's in a twin-bill Saturday at 11 on the Regiment's field.

PAST ACTION: The Beaver soccer team battles LIU in a previous encounter. The two teams meet again Saturday at 11 at Van Cortlandt Park.

World Series Outlook

By Lew Lipset

At this time the San Francisco Giants lead Los Angeles Dodgers in a three-game playoff for the National League pennant. Today the series moves to Los Angeles, as Manager Ralph Houk and his Yankees must consider it a better match for the New Yorkers than the Giants, who have been injured.

The Giants have the edge over both the Dodgers and the Yankees. New York has one of the finest fielding clubs in the major league, including the infield. The Giants have a solid shortstop (with Mays), center fielder (with Williams), and first baseman (with Bell).

The Dodgers have the edge over both the Giants and the Yankees. Los Angeles has one of the finest clubs in the major league, especially in the infield. The Dodgers have a solid shortstop (with Collins), center fielder (with Drysdale), and first baseman (with Drysdale).
