Students Brave the Elements To Preserve Free Tuition

Braving sub-freezing weather on a blustery Lincoln's Birthday, some 300 students from City and Hunter Colleges canvassed the district of Assemblyman Paul Curran (Rep., Man.) for the free tuition cause.

The students, armed with leaflets and "Our Position No Tuition" buttons, left the Baruch School auditorium at noon and dispersed through Mr. Curran's district to inform his constituents that he voted against the discharge-motion bill last March. The assemblyman is up for re-election in November.

The discharge motion was an unsuccessful attempt to pry the free tuition mandate bill loose from the Ways and Means Committee, headed by assemblymen Fred Preller and Anthony P. Savarese (Rep., Queens). Several representatives of the mass media covered the days activities. The Columbia Broadcasting System (C.B.S.) and the American Broadcasting Company (A.B.C.) cameras recorded the enthusiastic response of the students to Mr. Curran.

The media coverage, the students state, was meant to help rally the school's student body president, and Savarese's districts, in addition to those legislators who voted against the discharge-motion bill.

City College students are scheduled to meet at a free tuition rally at the Finley Student Center (Union) at 11. After remarks, concerning the plans for the free tuition drive, the drive, all students will be bused to Queens College where they will participate in a mass rally at the Student Memorial Center at 12.

The proceedings there will be similar to those held at the School on Lincoln's birthday. At that time

Draft Committee Wants Rosenberg for Senate

A committee has been formed to draft Chairman of the Board of Higher Education Dr. Gustave G. Rosenberg, for the democratic nomination for United States Senator. Dr. Rosenberg, however, declined to volunteer for the position.

The chairman of the draft committee, Mario A. Scutaro, is a former City College student. Based on his campaign for Dr. Rosenberg on the platform of free tuition, Mr. Scutaro stated: "Parents of qualified students should not have to undergo the indignity of submitting themselves to a 'means test' before their children can enter public colleges. This is a backward move in this atomic age and if not checked now, similar situations could filter down to high school level and lower."

The draft movement is gathering steam rapidly with the enrollment of 7,200 volunteers signing the campaign statements. Several thousand apartments throughout the state, in addition to alumni clubs, will be split up into groups to canvass the district. As a result students found themselves searching up and down many flights of stairs in old brownstones.

The groups concentrated their efforts on the weakest sections of Mr. Curran's district. These sections composed the poorer areas in the city. As a result students found themselves scrambling up and down many flights of stairs in old brownstones. Their pursuit was relentless, however, as they ran out of flyers before energy.

Free Tuition Drive Set For Saturday in Queens

Hot off the successful free tuition campaign conducted against Assemblyman Paul Curran (Rep., Man.), City University students have planned a free tuition drive for Saturday against Assemblymen Fred Preller and Anthony P. Savarese. The drive will be split up into groups to canvass Preller's and Savarese's districts, distributing free tuition leaflets.

"Our forces are spreading rapidly throughout the city," Preller said. "Seven regular Democratic clubs will announce their support of our movement. We also have four reform clubs that are voting to have their members ratify support for Dr. Rosenberg.

Recently, I attended a weekend conference, the meritocracy of which was not in my interests. It was much more than an event. In fact, I had a pleasant experience. In some ways, I enjoyed the experience. I wanted to learn more about the conference, but the conference itself was an important part of the process. I found it to be a very satisfying experience. I hope that others can get the same experience that I did. I look forward to attending the conference next year.

Beaver Basketballers Humbled by Fairleigh After Edging Yeshiva

By JEFF PALCA

Lou Ravettine's twenty-six point performance enabled Fairleigh Dickinson, the defending Tri-State League basketball champions, to eke out a City College 62-59, Saturday, at the winner's court.

Earlier in the week, the Beavers had come from behind to squeeze past Yeshiva 53-51, thanks to Alex Blatt's twenty-six point performance. The outcome of the game was decided in the final seconds of the game, with Blatt's three-pointer giving the Beavers a 5-2 lead.

CCNY and St Francis Square Off Tomorrow

By STEVE RAPPAPORT

If the pattern of the past seven seasons continues, the annual C.C.N.Y.-St. Francis basketball clash will be a highly contested battle. The game will be played tomorrow at 8:30 at the 69th Regiment Armory, 25th St.

In the last seven meetings the average margin of victory was only four points. The Brooklyn Terriers won five of these contests, but all by the lifetime series, 23-11. The clubs first met in 1922.

The last Terrier triumph was during the 1958-59 campaign by a 66-65 score.

St. Francis features a ball control attack around Tod Koch, a 6-6 center. Flanking Koch are 6-3 George Strimpel and 6-5 Mark Turenbush. The playmakers are 6-3 Tom Kowalski and 5-11 Jack Craig.

Coach Danny Lynch's crew have split sixteen games this season. Included in the win is a twenty-one point upset of Niagara. The other victories have been inflicted against small colleges. The Terriers have lost to several strong teams including Villanova, Providence, and Iona.

Behind the Scenes: The Officials

By JOE ROSENBERG

Are referees really wise beaters? The bellows basketball fans in college arenas throughout the nation seem to think so. And they might have good cause to, at least as far as the actual number that beat their heads.

City is presently a member of the E.C.A.C., which is the only one thatenda game officials to conference members. "The refs find it tough officiating at City," Mr. John P. Nicotola, supervisor of basketball officials commented. "City fans are students of the game and as such are highly critical and enthusiastic."

The best shooters for Brooklyn Poly were Bernie Caruso, 277, and Bob Kinsky, 276. Stevens' best shooter was Fred Unfried, 276.
