New Finals Plan Set
Uptown Center To Benefit
By RONNIE HARNISCH
A new policy in the scheduling of final examinations for the University will take effect during the fall 1964 semester, announced President Buell G. Gallagher, Wednesday.

Under the new procedure, multiple section classes requiring a uniform final examination of longer than one class-hour will not meet during the fifteenth week of the term. Recitation hours for those classes will terminate after the fourteenth week and final examinations will be given during the sixteenth week.

Courses with in-class final examinations will meet for these examinations during the fifteenth week.

The objective of this plan is to lighten the load on those students taking in-class tests during the fifteenth week. Since all class sections will not fall into both categories, will one process will allow students to concentrate on in-class examinations.

Dean Emanuel Saxe: High Standards Will Continue

The quality of higher education at City College will remain as high as the faculty wishes to maintain it, declared Dean Emanuel Saxe in an interview with THE TICKER. "I do not see how the faculty could be worried about," said Dean Saxe. "It is they who decide the standard of teaching they wish to set. The level is as high or low as they wish to make it." Deans comments were made in reference to some faculty fears that the Master Plan for the City University might affect the standards of the University. The Federation of the University is the traditional eight-five averages. All applicants will be judged by their completion of high school, average of college board, their relation to the University and to the city they live in, their father's name, and to the city, they continued, they would seek jobs in colleges closer to their homes. He said that he did not see what connection the Master Plan had with teacher quality since it was not mentioned anywhere in the report. "The plan," he stated, "is a report about the proposed expansion of the City University by Chancellor Albert Bowerski."
CCNY Student Presented
With National Youth Award

By STAN FLEISCHTMAN

Atorney General Robert F. Kennedy has awarded the Young American Medal to Gary Calnek, a CCNY freshman. The award is given to young people who exhibit bravery or provide service to their community. Calnek, who is majoring in Biology, has been involved in various community service activities. Among his accomplishments, he has helped organize a youth council and worked with the local police department to provide education on law enforcement. The award is given to young Americans who exhibit bravery or provide service to their community.

The award is given to young Americans who exhibit bravery or provide service to their community. The ceremony was held at the City College of New York, and the award was presented by Attorney General Robert F. Kennedy. The award is given to young Americans who exhibit bravery or provide service to their community.

Around the Nation

SMG Need

The Student Non-Violent Coordinating Committee has launched a national housing drive to continue and expand its work in the field of housing for the poor. The committee is currently operating in several cities across the country and is seeking to expand its efforts to other areas. The drive is being led by John Lewis, a member of the committee, who has been instrumental in its growth and development. The committee is seeking to raise funds to support its work and to provide housing assistance to those in need.

University Master Plan

Not Enrollment Solution

The proposed Master Plan for the City University of New York will not fulfill the needs of New York City's students, according to a statement released by the Board of Higher Education. The plan, which was introduced last year, is intended to address the issue of overcrowding at the university. However, the statement argues that the plan does not adequately address the needs of students and that it will not provide a solution to the enrollment problem. The statement calls for a new plan that will be more effective in addressing the needs of students.

In a moment's self-doubt, Griffin selected the answer to the question that had been given to him. He knew that the test was the most important test of his life.

The answer would be accepted as the student's final score.

FED UP WITH HYPOCRISY: Griffin attacks sociologist

As the movie "Inherit the Wind" is serving as the basis for a new play, Griffin attacks sociologist Robert Eisner, who directed the production. Eisner, who directed the play, has been criticized for his handling of the material. Griffin, who played the role of John Brown, stated that the play was a "mockery of the court proceedings," and that Eisner's handling of the material was "a travesty of justice.

Through the use of some sort of amateur camera film, Griffin captured the scenes of the courtroom. In retrospect, the duel scene of John F. Kennedy, Jr., and Bobby Kennedy was not as gripping as the real event. However, the film captured the essence of the trial and the emotions of the participants.

The film was shown in several theaters across the country and was a hit with audiences. It was nominated for several awards and won an Academy Award for Best Documentary.

**Covendeum Film**

The film "The Color of My Hair" is currently being shown in all major movie theaters in New York City. The film is a national production and is widely acclaimed for its realistic portrayal of the experiences of a young Jewish woman. The film explores themes of identity, culture, and family, and is particularly relevant to students at Baruch College.

**Discrimination in Business**

*The TICKER*

Tuesday, April 14, 1964

"With continuing favorable economic conditions, anti-Semitism in the business world is on the decrease. However, there are still many instances of discrimination against Jewish people. In New York City, for example, many businesses continue to discriminate against Jewish people in employment and housing. This is particularly problematic for young people who are just starting out in their careers."

**Van Doren To Recite His Poetry, Thursday**

*The TICKER*

Tuesday, April 14, 1964

"Mark Van Doren, Pulitzer Prize winning poet, will read from his latest collection of poetry on Thursday. Van Doren's work is widely admired for its lyrical beauty and its exploration of themes such as love, death, and the human condition. This event is not to be missed by fans of poetry and literature."

Baseballers Unbeaten in Five Games

City Leads League With 4-0 Mark

BY PETE LESSER

After nine consecutive losing seasons, the City College baseball team seems to be well on its way to capturing the Metropolitan Conference championship as it swept past Wagner Saturday by scores of 8-5 and 8-2.

In the opening victory, Howie Smith went the distance despite the fact that he allowed three batters, including a 430-foot blast in the first inning, Smith, in going the distance, struck out seven batters while walking only two for his second victory of the season.

The City batters smacked out nine hits despite the fact that they were victims of three strikes fifteen times during the course of the game. City's hitting leaders in the first game were Barry Edelstein, the second baseman, who drove in two runs with a triple the teams in runs batted in with 13, and Ron Marino, centerfielder, who scored twice despite the fact that City committed only four miscues.

City's eight runs came on seven hits and six Wagner errors. Wagner scored two more runs in the ninth inning, but it was too late. Howie Smith, who had three strikeouts, surrendered only six hits. City committed only one error.

The infield produced an unusual double-play in the fifth inning, when, with two out and Deutch and Seider on base, Ron Moser scored from second and one out, Edelstein snagged the third, and Frazzitta threw out Joey Duvinsky at first. Mike Seider was out at second, and Edelstein caught the third, ending the inning with a single.

City's eight runs came on seven hits and six Wagner errors. Wagner scored two more runs in the ninth inning, but it was too late.

Win Second of Season

Stickmen Bow to Panthers For Third Loss of Season

BY FRANK CASSIDY

Despite the continued fine play of Emil Castro and Izzy Juvonen the City College lacrosse team was defeated by Adelphi University, 7-0, Saturday at Adelphi's field. This was the Beaver's third defeat in as many outings, four. Adelphi has a very experienced team, two of the finest players in the country in Joe McMillister and Jack Lavelle. McAllister had a great game. He had a hand in nearly all of the Panther's goals and tallied six himself. Lavelle had two goals and four assists.

Beaver 'Nine' Could Extend Five Game Winning Streak

The undefeated Beaver "nine" can extend its five game winning streak to eight by sweeping Queens College Thursday in a single game, and Hofstra University, in a Metropolitan Conference twinbill Saturday at Macombs Dam Park.

By defeating Queens City can tie the existing record of six consecutive wins set in 1921. The Beavers can break the mark by capturing the first game of Saturday's doubleheader.

The Lavender will be seeking their second non-league victory against the Knights. C.C.N.Y. mentor Sol Minshkin termed the Queens team "one of the best in years. But, the coach added, "we have a strong team, too."

Doug Patton, now in his second year as coach for the Dutchmen, stated, "this must be called a rebuilding year. Hofstra lost two all-league stars and three outstanding freshmen prospects but has hurt the team.

The Lavender, on the other hand, has a strong team, too."

City Trackmen Bow to FDU: Masters' 220 Record Broken

BY MARTY LEVISON

Led by Bill Wheelock, the City College track team ran to an 89-60 victory over the FDU track meet. Wheelock won three events, and in the 220, next a new 1:49-2 record over the Beavers, who ran it in 1:48.2.

In the non-running events Paul Brownstein spoiled the Beavers' hopes of sweeping the events by placing first in the shot put, hammer, hammer-throw and discus. Brownstein shared Bob Bogart's point totals, as each scored five points for the Lavender.

The Beavers fought hard and there was some consolation in the defeat. Lenay Zane and Mike Dityk — who distinguished themselves earlier in the year in cross-country, took the one-mile and two-mile events, respectively. Zane compiled a time of 4:28-8 in the mile while Dityk ran a 10:42-4 for the two miles.

In the 880 the Beavers placed first as Joel Brady finished ahead of the field. The Knights' second and third finishers were also ahead of the field. The Knights lined-up.
