Council Votes Down Two Proposals For Year Long Membership Terms

By RICHARD GORTIN

In an orderly "Parents' Night" session, Council voted on two controversial proposals that would have established one-year terms for its members. The vote on elongating executive positions was 6-1-3-2, and on the same question for representatives, 12-4-1. Council action did not defeat the proposal after turning down amendments which would have facilitated cancellation of year terms by the student body in referendum.

One year offices were championed by a majority of the executives seated in Wednesday's elections. Council members discussed the possibility of removing a member of the organization a more effective one.

Joel Feldman Year Terms

Not Acceptable

As chairman against the motion, Mr. Katz '65 argued that passage of the motion would be legally wrong. He noted that last summer the student body overwhelmingly defeated a referendum asking for year seats.

Student Council, Mr. Katz continued, bluntly disregarded the wishes of the student body. The reports of the Elections Committee were unanimously accepted except for the election of the Class of '68, which was tabled pending a report from the Disqualification Committee. Chairman Ronald Novita announced that the Disqualifications Committee will convene next week.

FSM Envisions Change In Educational Structure

BERKELEY (C.P.S.) — The academic senate of the University of California at Berkeley has overwhelmingly approved a resolution supporting most of the objectives of the students protesting the university's policies governing student political activity on the campus.

The resolution, passed by a vote of 812 to 144, called for non-interference with student political activity except for "minimal regulations" governing times, place, and manner to prevent such activity from conflicting with the normal functions of the university.

It also asked that the faculty assume responsibility for any future disciplinary measures growing out of student political involvement, and called for amnesty for students and organizations involved in the present controversy.

Weekend Set For February

The Lampart Students Society announced that the site of its annual Human Relations Workshop, held February 1-4, will be the Youngs Gap Hotel in Liberty, New York.

The price, including transportation, is $26.50 per person. A limited amount of subsidies are available for those participants who request them.

It is hoped, noted Lampart Leaders President Susan Syaler, that representatives of each organization on campus will send representatives to the workshop. Applications are available in 104C and 214C, and must be returned by December 22.

The weekend, which aims to make the individual more aware of the effectiveness in a group, is divided into various types of sessions such as diagnostic, skill, and theory sessions with participants doing their own experiments. Theory sessions are concerned with the usage of information pertaining to the various aspects of group dynamics.

With apparent victory twice within their grasp, City College lost in overtime to Adelphi 21-26, Saturday night in Wingate Hall. (Uptown.) The C.C.N.Y. record now stands at 1-2. This was the first time City has been rebuffed at home.

Leading scorer for City was Bob Kissman with 19 points. Bob also grabbed 16 rebounds. His absence in the paint, where Mailis missed many shots from the floor, is a factor Mailis will have to be aware of. The 21-26 record is still the key man in the Citian victory. He is one of the top players of the team, and pulled down some important rebounds.

Bob Kissman was as important as the other Mailis grabbed to preserve Adelphi's victory with 18 seconds remaining in the game.

With the score tied at 64-64 with 26 seconds left in regulation time, Kissman was man of the hour. His man against man tried to spring loose to get the game off the hook. He scored 3 of his 5 points of the overtime period.

Coach Dave Polansky started Kissman, Ray Camisa, Al Zuckerman, Jule Levine, and Pat Val- lare for the second half. These five held Adelphi scoreless for the first 5 1/2 minutes while City scored 15 points. After this, City's play deteriorated. Numerous charging fouls and sloppy defense helped.

(Continued on Page 2)

The Beavers were losing in the second half by a score of 73-55, and in the game started a comeback led by Al Zuckerman, Bob Kissman, and Gary Marks, and pulled the gap to 61-60 with 0:51 to go.

Then Columbia's Stan, Felseringer was fouled by Dave Schwartz. He sank both foul shots to make the score 63-60 and put the game on ice for the Lions.

Zuckerman played a tremendous game with 21 points and grabbing 12 rebounds, tops for the Beavers. All 21 points are also the highest a City Hall player has scored since Tor Nielsen set a Letter record of 24 points against Bridgeport in 1962.

Other City stars were Kissman, who hit 7 of 14 with 19 points and 10 rebounds.

The Beavers were trailing 82-66 with 3:21 to go when Zuckerman scored two three-pointers, plays. These driving lay-ups and Pearl hit a three to double the gap to 82-74.

Zuckerman hit a fifth personal foul, however, and was out of the game. On returning to the bench, he received a standing

Riflemen Top NYCC Shoot for Eightieth

By MATT HORWEEN

The Lavender riflemen returned again to their winning ways last night, defeating New York Community College, 1409-1315, at 10:30.

For the Beavers, Fred Bonsbich was top shooter with a 265. Also scoring for the Lavender were Steve Gliekman, 264, Bob Ehrlich, 259, and Jim Volinsky, 278.

For NYCC, top man was Dave Schmmer who fired an impressive 265.

So far this season the Beavers have been undefeated in league competition, posting a 4-0 record. Coach Noah Hall feels confident that the team will win its division title.

Last week when we lost to Navy with a score of 1429, St. Peters our chief rival lost to Army with a score of 265. He noted. These scores are indicative of what each team is capable of when the chips stand a chance.

The revolver will be idle until Feb. 5 when, for running their senior straight home victory they will take on Cooper Union at 7:30 in the cacophonies under Lewis Gym.

City just does not lose at home. Even Army fell to the Beavers in 1960 when the cadets visited here. They have not returned since.
