Faculty Council Passes Changes in Curriculum

Bowker Charged With Opposing Free Tuition
Letters to the Editor

Mr. Tannenbaum

I urge the appropriate authorities to reinforce the fire alarm system in the Library. I have witnessed several instances of smoke conditions for which the existing system was inadequate. This is a matter of great concern to me, as a student who spends considerable time in the Library.

I, too, have seen instances where the fire alarm system failed to function properly. The system is often sluggish and does not respond to smoke in a timely manner. This is unacceptable and poses a serious safety risk to the students and staff.

Sincerely,

Academic Freedom

Academic freedom is one of the most pressing issues we face as a university and as a faculty. It is imperative that we safeguard it, as it is the cornerstone of our educational mission.

I urge the administration to ensure that academic freedom is protected and respected. This includes allowing faculty to express their views without fear of retribution or censorship.

Sincerely,

Turnout At Blood Bank Is Called 'Disappointing'

By SUE REEDER

"This has been the most disappointing turnout in the thirty years I've been here," stated Lee Kronklin W7, co-ordinator of the Baruch School blood drive.

Mr. Kronklin was speaking in response to the low turnout at the blood drive held last week. Despite the efforts of the Student Council and the Student Union, only a small number of students participated.

I urge the administration to take steps to improve the situation. This includes increasing awareness of the need for blood donations, as well as providing incentives for students to participate.

Sincerely,

CCNY Five to Face American
And 7-1 Center Art Beatty

The Beaver 'five' will have to keep playing hard this Saturday when they meet the American University Eagles in Washington, D.C. For the second game in a row, the Lavender will be facing a team which features a seven foot center.

In the Columbia game Tuesday, the Beavers had to take on 7-1 Dave Newsman. The pivot man scored 25 points.

The Eagles also have a 7-1 center, Art Beatty, and he figures to give Coach David Polansky and his boys as much trouble as the Lion star did. Although American has a 1-2 record, this season, Beatty, a sophomore, has looked very good. He has hit on 24 of 38 shots from the field, for an average field goal mark of 73 percent.

In addition, Beatty is the leading scorer, with 185 points scored, and rebounder, with 94 rebounds per game.

City's hopes of containing him, and the Eagles, rest upon the shoulders of the Beaver's center Barry Eisemann. Barry, a 6-6 junior, was giving Newmark a hard time Monday night until he fouled out. Up to that time, the Lavender pivotman had been matching the long sophomore point for point and rebound for rebound.

Commenting on City's chances against American U, Coach Dave Polansky said, "A lot will depend on how well Barry can handle Beatty. He certainly has the desire and ability to do a good job."

The remaining starters for the Eagles up front will be Gary Horkey, a 6-8 forward, and Will Kyber, a 6-5 center.

Football Club Names Harold Johnson Coach

By ALAN WIENER

The football club announced the selection of a coach and a practice field at its meeting Wednesday. Mr. Harold Johnson (Phys. & H. Ed. dept.) was selected as coach of the future gridironers.

The majority of the members seemed to share the opinion of club president, Neal Comer '68, who wanted to "...keep the club asky at Baruch. With Mr. Johnson as our coach and with the potential of having a very successful club down here." "Buffalo"

About that game in which the Eloquent Englishmen defeated the Ticker Tigers, we did not mention that "Bellazo" Brady, the department's star third string quarterback, had a number of passes intercepted off him.
