Rockefeller Will Not Support Ohrenstein Bills

Bowler Asks Says Money For Passage Is Available

In separate announcements last week, Governor Nelson Rockefeller and Dr. BueLL Gallagher, chairman of the university's Finance Committee, stated they would not support two Democratic bills that would increase state aid to the City University and establish a $400 million construction fund.

The governor contended in a letter to Dr. Albert Bowker, the chancellor of the City University, that the state has already made provision for the needs of the City University.

The $464 million budget for the City University, Governor Rockefeller said, contains the $5 million needed.

Assembly Speaker Anthony J. Travia expects to report a bill out of his rules committee this week in a move to put pressure on Governor Rockefeller.

This legislation will incorporate the essential features of two bills previously offered by State Senator Manfred Ohrenstein, Democrat of Manhattan.

It will include proposals to create a city-state construction fund of $400 million to expand the University, and to provide for additional state assistance of six million dollars for the University's operating expenses.

If the Governor vetoes this bill, he will be on record as opposing a bill for New York City's college.

School Elections To Be Held Tomorrow For Class Officers, S.C. Representatives

Elections for Student Council representatives and Class Council officers will be held tomorrow from 9 to 3:15 in the lobby of the main building.

In order to vote, students must present their Bursar's cards.

Student Council positions are being contested in three of the four classes, where seats are open.

In the Class of '67, Allen Broslovsky, Lenny Dieser, Robert Fargnizzetti, Eugene Forb, Mary Lewis, Eric Mechanic, Marc Shpritzer, Charles Terranella, and Harvey Wacht are running for the six open seats.

In the Class of '68, Paul K. Elman, Paul Buffett, Ben Buchman, Rick Cohen, Martin Flanag, Paul Fucaloro, Patricia Goglia, Marvin Goldstein, Neil Lieberman, Richard Marks, Joe Slater, and Marshall Zipper are the candidates.

Thirteen students are vying for the six seats in the Class of '69 — Stone Berman, John Caligaro, Lawrence Contras, Bob Huch, Alan Rosen, Les Krause, John Meitner, Harry Pace, Steve Reiss, John Sorrentino, William Ullrich, Jon Waddington, and HarryXA.

In the freshman class, five candidates are running for the two open seats.

Mock Convention Slated; Nickerson to Be Keynote

Eugene Nickerson, Nassau County executive, will be the keynote speaker at the School's Mock Democratic Gubernatorial Convention Thursday.

After the keynote address, the delegates will vote on the party platform, nominate and vote for a gubernatorial candidate, and then choose a candidate for lieutenant governor.

The proposed platform, which can be termed moderately conservative, includes sections endorsing the return of the full tuition mandate to the City University, the legalization of off-track betting on horse racing, and support of civil rights.

Delegations are available for any club or group of at least five students. Information may be obtained in the Student Council office (416 S.C.).

The convention will be governed by Robert's Rules of Order, revised, except as modified in the proposed rules and procedures at the previous meetings.

Mr. Nickerson has announced the principles included in the platform, adopted by the delegates.

PLATFORM PROPOSALS: Alan Broadway and Harvey Wacht are the first Democrats who adopted the principles included in the platforms.

Vacation Is To Be Split

Next year's spring vacation will be split two parts, one near the end of March and the other a month later.

Dean Emanuel Saxe announced the following dates for the vacation: March 24-28, Good Friday through Easter Sunday, and April 21-25, which includes the holy days of Passover.

He said that the vacation was split this way so that the School would be closed to allow observance of both religions holidays.

In addition, a change in the form of the spring break is being considered.

200 Take Draft Test In Spite Of Protests

After three days of demonstrations and sit-ins, City College students took the selective service draft deferment test Saturday.

Demonstrators against the war in Vietnam attempted to keep the students from testing. The National Vietnam Test of the Students for a Democratic Society, but were forced by what was termed “a College administration ruse.”

Proctors at the test, seeking to avoid trouble, directed the students to leave by the Harris Hall exit, which was not being guarded by the demonstrators. Many of them had spent the night in a sit-in at the College.

Bob Gottlieb, a sit-in organizer, stated, “This is a perfect example of how the College administration has engaged in unfair dialogue with students protesting the draft.”

Joe Kesselman, one of the four proctors, said the students had been directed to leave by a previously locked door “to avoid a confrontation.”

About two hundred students took the examination. Several said that in general the test was “easy.” Others termed it “fair.”

A strong announcement in the news on where the students who had been fingerprinted had received their test papers was: “The whole thing is a crook.”

Tom Hayden, the spokesman for the students, said, “The test was a crook.”

Furthermore, Bob Gottlieb said that the students had been fingerprinted without explanation.

The students were fingerprinted. The number of students fingerprinted has not been disclosed.

Governor Refuses Aid Increase

Bowker Asks For Passage

(Continued From Page 1)
and I doubt that my position can be properly supported.

The request was made at the New York Faculty Meeting, where the faculty members were asked to consider the possibility of increasing the aid for the College.

Bill W. Johnson, the president of the New York Faculty, stated that the College had been working on a problem for several months.

"We have been studying the question of the adequacy of the aid provided by the State," he said. "We believe that the aid is not sufficient, and we are asking for an increase."
Funds for CUNY

Governor Nelson Rockefeller's statement that CUNY and the City University of New York, "are in a critical financial situation, and during the next two years will need the right to expand but is forced to deny admission to more students than are presently benefiting from CUNY's offerings..." is being interpreted by students as a threat to free higher education at the City University. Student groups have started a campaign to publicize the City University's financial situation in order to pressure state legislators into providing state aid to the City University by 400 per cent of the present level.

Without Mr. Rockefeller's support, the campaign will have to be continued by the students themselves. Although the campaign is organized by the City University Student Federation, which coordinates the efforts of all student groups at the City University, the City University Student Federation, itself, will not exist next year if the campaign fails. Without Mr. Rockefeller's support, the City University Student Federation will be unable to continue to demand state aid to the City University.

The qualifications of all candidates are consistently refused to help the City University. Senator Manfred Ohrenstein to increase state aid to the City University by 400 per cent of the present level. The qualifications of all candidates are consistently refused to help the City University. There are no facilities for them when they become mayor. They stand little chance of being passed by their peers. However, without Mr. Rockefeller's support, the City University Student Federation will not exist next year if the campaign fails. Without Mr. Rockefeller's support, the City University Student Federation will be unable to continue to demand state aid to the City University.

Spring Vacation(s)

Tomorrow's election, therefore, is an important one — too important for students to afford not to vote.

A Gamble That Failed

The funds for CUNY

Governor Nelson Rockefeller's statement that CUNY and the City University of New York, "are in a critical financial situation, and during the next two years will need the right to expand but is forced to deny admission to more students than are presently benefiting from CUNY's offerings..." is being interpreted by students as a threat to free higher education at the City University. VACATION TO BE SPLIT UP

(Continued from Page 1)

The following acts, according to an administration spokesman, end the area reserved for lunching between 11 A.M. and 2 P.M. is reserved for lunching purposes only.

PERSONNEL SOCIETY

Following are the names of those who are left to right: Sarah Cooper, B.A. in Philosophy; Joseph Golden, B.A. in Philosophy, and Robert Leder, the president. The society in the latest school year was conducted under the leadership of President D. H. Modell.
Baseballers Edge Army Cadets Before Bowing to Blackbirds 3-1

The City College baseball team journeyed to West Point Wednesday to face the most powerful Army squad in years. The Cadets had won all twelve of their games, with only a 1-0 loss to the New York Yankees blemishing their record. Lavender honor was upheld, however, as C.C.N.Y. defeated Army 11-10 in ten innings.

The Beavers' biggest week's record Saturday with a loss to Long Island University. L.I.U.'s Schoenfeld Field was the scene of City's 9-1 defeat.

The loss dropped the Beavers below .500, giving them a .471 record and a 2-4 mark in the Met Conference.

Barry Leifer received credit for the victory over Army reliever Tom Terlizzi in the eighth. The Beavers held a lead of 1-0 at that point.

The Cadets came up with three runs in the bottom of the ninth to even the score and send the game into extra innings.

City loaded the bases in the tenth. Steve Angel singled, and pitcher Jim Van Horn walked Al Miller and Barry Mendel. Bill Miller, who accounted for five of City's twenty hits and piled up .380 in the game, singled to right off reliever Bill De Bolt, driving across two runs. Army pitcher John Orlando finished with a single run in the bottom of the tenth, but it was not enough.

The contest saw six home runs total by both teams. Vinnie Cenci hit a pair and Bob Scaglione, Ron Rotteri and Larry Smith one each for the Cadets. Dave Minkoff belted City's lone roundtripper.

L.I.U. strengthened its winning streak with the defeat of City. The Blackbirds now have won seven straight, including their first two contests. The Blackbirds are now in first place in the Met Conference.

CRIME DOESN'T PAY: A City baserunner is seen stealing second base in a recent game at Macombs Dam Park in the Bronx. Alex Miller, Vinnie Cenci for the Cadets and Jim Van Horn for City. Paa4oaiano^ RtmrrT and lanti T.lnyd Rmith oarh-tttlind i

Beaver Athletes Race to Season's Finale

Racers Set Marks In Championships

The College's track team participated in both the Metropolitan and the Collegiate Track Conference championships over the weekend and broke many School records, but did not finish high in the final standings.

At the Met, held at Downing Stadium, distance runner Jim O'Connell took off almost twenty seconds from the School mark in the three-mile run, as Jim finished with a time of 14:03.5, good enough to finish second in his race. At the same meet neither John Fick nor Joseph Friedman was able to place in the stakepower event, even though both of them set new School marks in that race. Fick had a time of 10:48, and Friedman trailed with an 11:02.

The only Beaver to place at all was Jim Don Schlesinger, as he finished third in the hundred yard dash with a time of 9.9, two tenths of a second off the school mark, in the weight events Tom Mihale threw the hammer 126.3, Tom flew and fielded Harold Sharpe, who has been having a fantastic season, but didn't run because of his bad heel, which has been bothering him lately.

Over at Post College, at the C.T.C., the Lavender freshmen finished second overall, as they broke three school marks. Jack Ratliff set a mark in the one-half mile run with a time of 1:58.4. The 100 yard relay team of Raine Lott, Cary Ramon and Joe Simmons, and Dave Davis set a School mark with a time of 45.4, less than a second and a half over the varisty mark which was set last year at the C.T.C. Fieldman Larry Meyer broke the record in the high jump event with a leap of 6'0.5".

Next week O'Connell may run in the N.C.A.A. meet in Chicago, and in two weeks the team will race in the I.G.A. at Downing Stadium.

Netmen End Year With Two Wins

The Beaver netmen ended their season in the form which they have exhibited through it. The tennis team defeated Iona 9-0 on Saturday and Pratt 8-1 on Wednesday, bringing its record to 12-1.

In the Iona tilt Neal Spanier, Pete Wolf, Al Marks, Alan Marks, Edelstein, Jim Van Horn and George Grinstein took the honors in the singles competition. Edelstein and Marks, Edelstein and Gerald Jaffe, and Garfin and Lit were teamed for the doubles wins. Garfin and Lit were the beneficiaries of a home run by Al Rotteri.

Lacrossemen End "Satisfying" Season; Lose Final Contest To Union and FDU

Lacrosse team finished its season without a flourish last week as the Beavers were defeated by Union 3-2, Saturday, and by F.D.U., 10-8, Wednesday.

The two losses came on the tail-end of a two-game win streak. The stickmen's record now stands at 5-6, not including the 1-0 loss to the Cadets in the first such contest for the Beavers which was held in late March.

Commenting on his team's showings for the season, Coach George Terlizzi stated, "I am very satisfied with the boys play. They started the year with very little experience, and as the season moved on they really started to gel."

The Union game was played away, with George Grinstein scoring two goals, Richard Beaver one, and co-captain Vince Pandoiano one. Pandoiano set an individual scoring mark for the season.

The only contest the Beavers defeated was F.D.U., 3-2.

ONE POINT: A Beaver stickman scores a goal but it was too late for the lacrosse team dropped two games last week.

but this time around it was a different story, as the Jerseyyites edged City, as co-captain, Pat Vallance led the way with two goals and Lloyd Smith added the other.
