Public Relations Society Begins

The newly-formed Baruch Public Relations Society began its series of fall and winter meetings with an introduction by its first speaker, Mr. Lyon, who reminded the membership to keep their memberships and not to let their wait for the next meeting run by doing all the work at once.

Mr. Lyon, the president of the society, introduced the guest speaker, Don Janklow, the Society's president, to speak on the society's activities for the fall semester. Janklow promised that he would give the students an opportunity to meet with representatives of the society and to discuss any questions they might have.

Janklow spoke about the society's activities during the fall semester, which included meetings with representatives of the society, a discussion of the society's goals, and a presentation of the society's plans for the winter semester.

Janklow also discussed the society's upcoming events, which included a meeting with representatives of the society, a discussion of the society's goals, and a presentation of the society's plans for the winter semester.

Pessen Critical Of Presidential War Making

On Nov. 5, the History Society presented a lecture on the theory of war making. Edward F. Pessen, Chairman of the New York State Department of Cultural Affairs, addressed the audience on the subject. Professor Pessen said he believes that the United States is in a warlike condition, and that the American people are being misled about the war in Vietnam. He expressed his concern with the fact that the United States is not going to win the war in Vietnam, and that the American people are not being told the truth about the war.

Baruch Student Wins Scholarship To Chicago Direct Mail Conference

Baruch student wins scholarship to the annual conference of the Direct Mail Advertising Association of Chicago. The conference, which was held in Chicago, is the largest annual event for direct mail advertisers in the United States. The scholarship was awarded to a Baruch student because of his outstanding academic record and his interest in the field of direct mail advertising.

On Nov. 2, the History Society hosted a student-faculty reception in the Oak Lounge. Professor Pessen hosted the event, which featured a presentation by Professor William Monat on the subject of war making. The reception was attended by members of the History Department, as well as students and faculty members from other departments.

Honeymoon ...

Dear Catherine H. Smith,

Your answer to the question of who would be responsible for cleaning the school is very reasonable. However, I would like to argue that the solution to the problem does not lie in the responsibility of the students alone. The problem of littering is not just a concern for the students, but also for the faculty, staff, and visitors. The administration has a significant role to play in combating this issue.

The card is good there. The card is good for any purchase in Room 1220. Siegfried Idyll was performed at the Wagner villa at Triebchen on Christmas morning, by Robert Chapa, who is a certified psychologist. This is an opportunity for students to receive psychological assistance.

Questions ...

Q: What is the significance of the fact that the School of Business did not issue a resolution in behalf of the students?

A: The fact that the School of Business did not issue a resolution highlights the lack of support from the administration. This is a concern for the students, as they rely on the administration for guidance and support.

Q: What is the problem with the overcrowded residence halls?

A: The problem with the overcrowded residence halls is that it causes discomfort and inconvenience for the students. This can negatively impact their academic performance and overall well-being.

Q: How can the students address the issue of overcrowded residence halls?

A: The students can address the issue of overcrowded residence halls by bringing it to the attention of the administration and advocating for better living conditions.

Notes On Music

The Baruch College Chamber Orchestra conducted by Professor Robert Barra performed at Rackoff Theater on Wednesday, November 10, 1975. The concert included a performance of Richard Wagner's Siegfried Idyll, which was performed at the Wagner villa at Triebchen on Christmas morning, by Robert Chapa, who is a certified psychologist. This is an opportunity for students to receive psychological assistance.

The Performing Arts Department of Baruch College presented a variety of music, including the Suffolk Community College Orchestra, the Baruch College Orchestra, and the Baruch College Choral Group. Cross-Country To Compete
In C.U.N.Y. Championships

The steady progress that the cross-country team has made this season is expected to show up again this Saturday when the squad competes in the City University championships at Van Cortland Park starting at 11:00.

Last year Baruch finished fifth in the CUNY's; this year it has a good chance of finishing third behind Queens and Lehman, the two top rated teams.

Baruch should beat Hunter whom they defeated easily last year and Brooklyn who narrowly edged the Statesmen and possibly they could outrace City College who topped them in September.

"I don't know where we'll finish," states coach Howard Richter. "If we get good performances out of Tony Chmura and Hal Ramsay we could surprise a few teams."

I expect Walter Cantey to challenge the leaders and I'm hopeful that Jack Harayda can come up with his best effort this year.

Cantey, who surpassed Harayda as Baruch's top runner, set a school record of 28:06. He was hampered recently by a cold, but has fully recovered and is ready to shoot for a new record.

Quentin Larry Newman is the pre-meet favorite with Lehman's Ken Robinson rated second. Both should come in under 27 minutes.

After that it is a toss-up. City's Dave King should take third, but a strong race by Cantey could earn him the third spot.

Harayda hasn't improved over his performances of last year when he was Baruch's top man in every race. His best time this year has been 30:38. He will have to run his best time if Baruch is to beat out City.

Richter is counting on Chmura as the third finisher. "Tony has worked hard this year and has made significant progress," notes the coach. "He's ready to break 30 minutes for the first time and this is the meet for him to do it."

Paul Eisler, Tony Guszewicz and Ramsay round out Baruch entry in the CUNY's. Last year Eisler ran 30:26 in the CUNY's. This year he has consistently run four minutes better than that. Guszewicz, a freshman, missed two weeks due to a leg injury and has fallen behind in training. He is just starting to get back into a good running groove and could turn in his top time in the CUNY's. Ramsay, another freshman, never ran cross-country before this fall, but has shown steady improvement.

Last year most of Baruch's runners came up with their best efforts in the CUNY's. A repeat performance will move the Statesmen into third place.

Soccer Team Drops Two

Just when it seemed that the soccer team had turned the corner and began to play winning ball the squad turned around and dropped games to St. Peters, 4-1, and C.W. Post, 4-2, last week.

Although both opponents came into the games against Baruch with winning records, coach Walter Kopczuk felt his squad should have held its own. "In both games we just made too many little mistakes and they cost us," the coach commented.

Paul Kuti scored the lone goal against the Peacocks and the first goal against Post. He now has scored 13 of the 27 goals the team has registered. Joseph Wright picked up his second goal against Post off a pass from Kuti.

Post took a 2-0 lead in the first half scoring once on a breakaway and then via a penalty shot. Fifteen minutes into the second half Kuti converted a penalty shot to cut the deficit in half. However the Pioneers scored on another breakaway and then capped the lead to 4-1. Wright's goal with 10 minutes left made it a 4-2 game.

The losing effort in both games, 1-4-1 against Mt. Convent Play and a 4-1-0 overall mark. The schedule winds up this week. Yesterday the team faced Hunter and Saturday is at Kings Point. Both are conference games.

Intramural '72

Basketball Team Formed

Head coach Bobby Sand has selected a 12-man squad to makeup the 1972-73 Baruch varsity basketball team. The squad has eight holdovers from last year's 5-10 team plus four freshman.

We have more height than last year," notes the coach, "and the experience the lettermen gained last year has made them better players this year."

The returning lettermen are Aldrich Carnegie, Mark Stein and Tomas Smith, who are seniors; Bill Robinson and Bennie Grant, juniors; and Luis Blas, Cary Jordan and Ed Westmoreland, sophomores.

The freshman contingent consists of John Adams, Alvin Chambers, John Conboy and Melvin Bland.

The tallest player is Chambers who stands 6-7. He is the biggest player Baruch ever had on its varsity team. Next in size is Stein at 6-4 followed by Robinson and Carnegie at 6-3. It is not a tall team as college team's go these days, so tough defense, speed and good ballhandling will have to make up for the lack of overall size.

Baruch will be facing teams like New Hampshire with a 6-1 center from the British Olympic team; St. John Fisher with a 6-10 center and Roger Williams with a 6-8 man in the middle.

In preparing for the first two weeks of practice the coach simply stated "We are making progress".

"Jack" (Carnegie) has shown very well and I look forward to him having a big year. Chambers has picked up on defense. Overall the team is playing better defense and is getting in shape physically.
