ELECTION IN DOUBT 
INQUIRY TO BE HELD
FISHER CHARGES ABUSE 
IN LETTER TO GRODIN 
CANDIDATES JITTERY 

by MICHAEL FISHEIN and RALPH SINGER

Final vote-counting for all categories of the latest Day Session Government elections was halted late last Thursday night on the orders of the acting Chairperson, Mr. Jake Jutkowitz. Mr. Jutkowitz is currently a candidate for the position of Day Session treasurer. The orders were issued amid charges and countercharges of serious "irregularities and abuses" which were alleged to have occurred during the voting hour last Wednesday.

The Dean of Students, Roy R. Senour, Jr., has refrained from comment on the action. At the insistence of TICKER, Mr. Jutkowitz has released the following statement to the Baruch College community. "As of Friday, October 18th, the status of the Student Government Elections is as follows: Over 3100 ballots were cast, which is well over the 30 percent of the electorate required by the Board of Higher Education By-Laws. (Ed. note: The stipulation can be found in Article 15.2.)

"There will be a temporary freeze in effect on the counting of final tallies. Because many allegations have been made concerning the validity of the elections, this means no figures will be released until the approval of Dean of Students Roy Senour is given."

"A hearing, which will be open to the school media, will be held on Tuesday, October 22nd, or Wednesday, October 23rd.

"Mr. Jutkowitz has thus far declined to elaborate on the nature of the "allegations" to which he alluded in his statement. It was reported to TICKER, however, that these charges include incidents of physical and verbal abuses of prospective voters. This report, as well as similar rumors, was unsubstantiated as TICKER went to press on Friday.

"It is not known at this time whether the Student Government Elections Committee would consider the question of overturning the election should any of the charges which have been forwarded prove to be true. Although, Mr. Jutkowitz's statement indicates otherwise, whether the Elections Committee will itself constitute the investigatory body is also unclear. What appear to be the most serious charges have been leveled by Mr. Allen Fisher who is one of the six candidates for the chairpersonship. In a letter addressed to Mr. Jerold Grodin, Day Session Director of Student Activities (Student Personnel Services), and dated October 17th, Mr. Fisher charged that five specific irregularities occurred during the voting period. These irregularities include allegations that students were turned away from the voting tables prior to their actual closing time; that the Elections Committee failed to canvass all 11.00 o'clock classes due to a lack of manpower; that an apparent conflict of interest existed on the part of several of those who were doing the voting and vote-counting; that copies of slates of candidates were found attached to individual ballots; and that there was considerable electioneering by candidates at several of the voting tables.

Copies of Mr. Fisher's letter were posted to the Dean of Students, President Clyde J. Wingfield and to this newspaper. TICKER will cover the hearing which has been called.

Dr. Word & Deed

by Michael Phibbs and Ralph Singer

Contrary to rumor-filled handbills distributed here last week, Prof. Carl Word (Psychology) is not being fired. Two weeks ago a classified advertisement was submitted to this newspaper. The advertisement claimed that "due to the prejudices of higher authority," Dr. Word had been summarily fired. Although no one has confirmed reports a meeting, as requested by the advertisement, was held in the Psychology Department by interested student supporters of Dr. Word.

Early this week handbills were distributed by several students claiming that Dr. Word had been fired. The handbill also reported that Dr. Word's controversial course, "The Psychology of the Black Experience," was being cancelled in mid-semester.

Finally, it was reported that the course (Psy 90.6) would never be offered again.

TICKER has since learned that none of these "facts" are true.

Dr. Word has recently become embroiled in a legal action against several colleges in northern California over alleged policies of institutional racism. In order to determine the extent of the legal actions in which he had become involved, Dr. Word requested short-term leave in order to fly to California. This request was denied by the Psychology Department.

In a confusing tangle of offers and counter-offer involving short-term and semester leave and leave with or without pay, student supporters planned a rally for Dr. Word scheduled for last Thursday.

On investigation TICKER has since discovered that Dr. Word had made plans to have his courses covered by other instructors during his absence.

As it stands now the Psychology Department has approved a leave without pay until January 31st, 1975 for Dr. Word. This action has been approved by the School of Liberal Arts and Sciences and the College.

It is true that "The Psychology of the Black Experience" will not be offered for the Spring 1975 semester. However, this is not due to Dr. Word's activities in California. Dr. Word has failed to notify the department of his intentions to offer the course. The de facto decision not to offer the course will have no effect on the possibility that it will be offered in following terms.
BGS Wants You!

Baruch College is the only institution I could envision for my future endeavors.

President

My best wishes,

Halliman

Major Decision

How does one decide what to major in? What factors go into deciding a college major can be overwhelming. Each major has its own unique set of requirements and prerequisites. It is important to consider your interests, strengths, and career goals when making this decision.

The election posters are here. I would not be surprised if they all disappeared in the next few weeks. Do you remember the election posters the candidates put up last year? They had a corner in the student lounge. I noticed them one day and thought they were very interesting. What will happen if we start putting up election posters in the lounge? Will the students vote for the candidate who has the best poster? I wonder. I think it will be interesting to see what happens. Perhaps we should start a campaign to make sure that the election posters are put up in a fair and impartial manner.

Flyers

by JAY CONWAY

Yesterday I was walking down the hall when I saw a flyer on the bulletin board. It was about a new club that was being formed. I was interested, so I went to the meeting. The club was called the "Music Lovers' Club" and it was going to meet every Thursday night at 8 PM in Room 102. I decided to join and I'm looking forward to the meetings.

Counseling Offered

Would you like to know that there is a new counseling service available on campus? The Counseling Center has expanded its services to include group counseling sessions. These sessions are open to all students and will be held every Tuesday from 12 PM to 2 PM in Room 120. If you are interested in attending, please sign up in advance by calling the Counseling Center at 555-5555.

Word

by JOHN SMITH

I was walking down the hall yesterday when I saw a group of students talking about the new counseling service. They were all very excited and seemed to think that it was a great idea. I decided to ask one of them what he thought of it. He said, "I've heard that the counseling service is really good. I've been wanting to talk to someone for a while, but I didn't know where to go. Now, I think I might give it a try." I'm glad to hear that the counseling service is helping students.

I was walking on campus yesterday when I saw a flyer on the bulletin board. It was about a new club that was going to be formed. It was called the "Dance Club" and it was going to meet every Thursday night at 8 PM in Room 102. I was interested, so I went to the meeting. The club was led by a very knowledgeable dance instructor who was very good at teaching. I decided to join and I'm looking forward to the meetings.

**SPORTS**

**Cross Country & Soccer**

The Baruch cross country team established three school records as it defeated Lehman, 19-40, and Hunter, 22-36 while losing to Stony Brook, 37-40. The dual meets at Van Cortlandt Park, Oct. 12. The victories gave Baruch an 8-1 mark, thereby improving its school record of seven wins in a season set last year when the team posted its first winning season. Baruch is now assured of a second straight winning season.

All but two runners had their best times in the meet and new records were set for a five-man average and a seven-man average. The first five finishers averaged 29:03.0 for the five-mile run while the first seven averaged 29:45.6 thereby breaking the old marks of 28:36.2 and 29:25.2 and 29:56.3 respectively, set in last year's CUNY championships.

Captain Gerry Mortensen was the team top finisher placing eighth in the race with a time of 28:03.0 and was Baruch's third finisher with 28:26, his second best time.

Charley Vitale and Bobby Holmes were eighth and ninth with 28:40 and 29:00 with Ed Rodriguez the fifth finisher with 30:55. Frank Karwoski and Errol Rodriguez concluded the first seven. The latter five are all freshmen.

Saturday Coach Roy Cernoch will take his team to Albany to take part in the Albany Invitational cross-country run. On Nov. 2 Baruch will compete in the Collegiate Track Conference championships for the first time and a week later will go after the CUNY championships.

It was a long time between soccer victories for Baruch, but when the Statesmen finally did record a win they did it in grand style. Trailing Medgar Ervins 2-0 after ten minutes, Baruch got things together and ran off with a 10-3 triumph at Central Park on Columbus Day.

The win brought Baruch's record to 1-4-2 halfway through the schedule. It was also the first win since late in the 1972 season when Baruch beat Hunter 4-3.

Since then Baruch had gone 21 games without a victory tying four games in that span.

Paul Kurti, who has been with the team since its inception in 1971, scored four goals and added an assist. His four goals tied a single game record he set against Brooklyn Poly in 1971. He has 33 career goals a school record. The 10 goals equaled a school record.

Co-captain Fred Witner set up three of Kurti's goals with lead passes. He also had another goal and a fourth assist. Michael John had two goals and Mario Caputi, Roy Thomas and Aldwin Brown one apiece.

After falling behind 2-0 in the early going Baruch finally got untracked as Kurti fed to Witner, for the goal after 26 minutes. Before the half ended Thomas and Kurti scored and Baruch led 3-2. The second half was all Baruch as the Statesmen poured in seven straight goals for a 10-2 lead. In other recent games Baruch tied City College, 3-3, and York, 2-2, while losing to Queens, 2-0, and St. Francis, 4-0.
